APPENDIX 3 – VARIATIONS TO FIH RULES OF HOCKEY

The Rules of Hockey 2022 shall apply with the exception of Rules 1.9, 5.1, 13.3 and 14, which shall be varied as follows:

Rule 1.9

Flag-posts between 1.20 and 1.50 metres in height are placed at each corner of the field – these are not required.

Rule 5.1

a. All other activity

A match consists of two halves of **35 minutes** with a half-time interval of 5-10 minutes (to be agreed before the match starts). Or as per Reg 2.2.4

Rule 13.3

Time is not stopped after a penalty corner is awarded (unless stopped by the umpire). If a suspended player's period of suspension ends during the taking of a penalty corner the player cannot return until the penalty corner has been completed or another penalty corner is awarded.

Rule 14 Personal penalties - Suspensions

1. Umpires shall have the authority to suspend any player or official from the team bench for indiscipline, whether temporarily (green or yellow card) or permanently (red card). This will require the relevant team to withdraw a player from the pitch for the duration of the suspension.
2. If a field player receives a green or yellow card, the Umpires stop the match (but not necessarily the time) to issue the card. If time has been stopped, the Umpires re-start it immediately after issuing the card.
3. If a goalkeeper receives a green card, the Umpires stop time and re-start it immediately after that player has left the field of play.
4. The offending player leaves the field immediately. If they interfere with play on their way to the designated suspension area the Umpire may further penalise the player in accordance with the Rules of Hockey.
5. The timing of the temporary suspension starts when the player is seated in the designated area.
6. The offending player is permitted to resume play when the Umpire who suspended them indicates that the period of suspension has been completed unless this occurs during the taking of a penalty corner in which case the player cannot return until the penalty corner has been completed or another penalty corner is awarded.
7. If the offending player is a goalkeeper, the Umpires stop the time at the next stoppage of play to enable that player to resume play.
8. Where appointed a Match Official may undertake timing duties on behalf of Umpires.

APPENDIX 4 – MATCH LENGTH TIMES

At U18, U16 and U14 level if playing full length games, teams should only play one full length match in one day, however teams in this and other age groups may play for a longer duration in a tournament or festival with shorter matches. Recommended times are as below.

Age Group	11 or 7 a-side	Max Time in a day*	Max No of games	Min Duration of games^	Duration of games for triangulars~	Max Duration of games
						(& Times for U14 U16 U18 T1 T2 one-off matches)
U18	11	2 hours	4 matches	15 mins e/w	25 mins e/w	35 mins e/w, ie full length game
U16	11	2 hours	4 matches	15 mins e/w	25 mins e/w	35 mins e/w, ie full length game
U14	11	2 hours	4 matches	15 mins e/w	20 mins e/w	35 mins e/w, ie full length game
U14	7	2 hours	6 matches	10 mins e/w	15 mins e/w	15 mins e/w
U13 & U12	7 or 6	1 hour 45 mins	7 matches	9 mins e/w, 15 mins 1/way	15 mins e/w	15 mins e/w

U8	7, 6 or 4	1 hours 15 mins	7 matches	7 mins e/w, 10 mins 1/way	10 mins e/w	10 mins e/w

*Max Time in a day - this is based on a tournament or festival style activity where teams have multiple games and breaks. Teams must have a break between games. If the Max Time in a day is used it is strongly recommended that the overall length of the activity is at least one and a half times as long, e.g. 2 hours play in 5 hours activity.

^Min Duration of games - these are recommended times for T1 and T2 activity, however organisers may vary these and shorten particularly for lower Tier activity and festivals.

APPENDIX 5 – SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a goalkeeper from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result. The following sets out both the playing Rules and the procedures to be followed.

1. If the shoot-out competition takes place after the end of a match, the first shoot-out should take place within four (4) minutes of the end of regulation playing time.
2. The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.
3. A player who is still serving a disciplinary suspension by the Umpires (or Official where appointed) at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been temporarily suspended (green or yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
4. The Umpires (or Official where appointed) will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
5. The Umpires (or Official where appointed) will specify the goal to be used.
6. A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.
7. All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out.
8. The goalkeeper of the team taking a shoot-out shall wait on the back-line outside the circle.
9. A player taking or defending a shoot-out may enter the 23m area for that purpose.
10. Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
11. Five players from each team take a shoot-out alternately against the goalkeeper of the other team making a total of 10 shoot-outs.
12. Taking a shoot-out:
 - a) the goalkeeper starts on or behind the goal-line between the goal posts; the ball is placed on the nearest 23m line opposite the centre of the goal;
 - b) an attacker stands outside the 23m area near the ball;
 - c) an Umpire blows the whistle to start time;
 - d) an Umpire (or Official where appointed) starts the clock;
 - e) the attacker and the goalkeeper may then move in any direction;
 - f) the shoot-out is completed when:
 - i) 8 seconds has elapsed since the starting signal;
 - ii) a goal is scored;
 - iii) the attacker commits an offence;
 - iv) the goalkeeper commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper;
 - v) the goalkeeper commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
 - vi) the ball goes out of play over the back-line or side-line; this includes the goalkeeper intentionally playing the ball over the back-line.
13. If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player - on the Match Report subject to the provisions of Articles 17, 18 and 19 of this Appendix.
14. The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.
15. A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
16. If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:
 - a) that player takes no further part in that shoot-out competition and, unless a goalkeeper, cannot be replaced;
 - b) the replacement for a suspended goalkeeper can only come from the five players of that team nominated to take part in the shoot-out competition:
 - i) the replacement goalkeeper is allowed reasonable time to put on protective equipment similar to that which the goalkeeper they are replacing was wearing;
 - ii) for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
 - c) any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.
17. If during a shoot-out competition, a defending goalkeeper is incapacitated:
 - a) that goalkeeper may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;
 - b) the replacement goalkeeper:
 - i) is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper was wearing;
 - ii) if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
18. If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.
19. If an equal number of goals are scored after each team has taken five shoot-outs:
 - a) a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b) the sequence in which the attackers take the shoot-outs need not be the same as in the first series;

- c) the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - d) when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
20. If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
- a) the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - b) the team which starts each shoot-out series alternates for each series.
21. Unless varied by these regulations, the Rules of Hockey apply during a shoot-out.

PENALTY STROKE PROCEDURE (if required)

1. The Umpires shall together choose the goal to be used and the Captains shall toss to decide which team shall take the first penalty stroke.
2. Five different players from each of the teams, chosen from the players listed on the teamsheet, but excluding any player who has been permanently suspended from the game (red card), shall take a penalty stroke alternately against one and the same goalkeeper of the other team. Only if that goalkeeper is, in the opinion of the Umpires, incapacitated through injury, or is suspended, shall a team be permitted to substitute the goalkeeper during the course of a particular series in the stroke competition.
3. The team which has been awarded the higher number of goals shall be the winner.
4. In the event of an equal number of goals having been awarded, another series of penalty strokes shall be taken under the above conditions and with the same five players (subject to any incapacitated player being replaced or a suspended goalkeeper being substituted) but on a sudden death basis, that is, the team having been awarded the most goals after an equal number of strokes have been taken shall be the winner. The sequence in which the players take the strokes for their team need not be the same as in the previous series. The team manager has freedom of choice at the time of each stroke as to which of the five nominated players will take the stroke although must use all five nominated players per round. The team which has taken the first penalty stroke of a series shall not take the first penalty stroke of the following series (if any).
