17.2.2.4 Save where the Chair of the AAP directs otherwise, all Appeals will be dealt with in writing by email unless the Appellant requests an oral hearing, in which case the Chair of the AAP may direct an oral hearing.

17.2.2.5 The parties to the Appeal are the Appellant and the ALMC, to be represented by a member of the ALMC appointed for the purpose by the ALMC.

17.2.2.6 Any other club that may be directly affected by an Appeal shall, as soon as reasonably possible, be notified of the Appeal and subsequently the outcome of the Appeal.

17.2.2.7 As soon as reasonably practical after the receipt of the Appeal Notice, the Chair of the AAP shall give directions for the further conduct of the Appeal, which may include inviting or permitting any club that may be affected by the Appeal to submit written evidence and/or submissions in support or against the Appellant.

17.2.3 Every Appeal will be limited to a review of the decision of the ALMC unless the AAP considers that in the circumstances of the individual Appeal it would be in the interests of justice to treat the Appeal as a re-hearing of the matter (whether or not an oral hearing has been directed, and whether or not there is additional evidence available to the AAP than was before the ALMC).

17.2.4 The AAP will allow an Appeal where the decision of the ALMC was (a) wrong; or (b) unjust because of a serious procedural or other irregularity in the procedure followed by the ALMC in reaching the decision.

17.2.5 If an Appeal is not allowed in full, the AAP may impose any sanction that the ALMC could have imposed.

17.2.6 Where there has been an oral hearing of an Appeal the decision of the AAP may include a direction that the Appellant shall pay all or part of the costs of the Appeal to be summarily assessed by the AAP.

17.2.6.1 The decision of the AAP shall be notified in writing to the parties to the Appeal within 48 hours of the decision. Succinct reasons for the decision shall be sent to the parties to the Appeal and the EHCD within 7 days of the decision. The Chair of the AAP may extend the timetable in this paragraph.

17.2.7 Save as provided for under Regulation 17.2.8, the decision of the AAP shall be final.

17.2.8 Following a decision of the AAP, either the Appellant or the EHCD may request permission for a Further Appeal to be heard by the EH Appeal Panel. EHCD may request a Further Appeal notwithstanding that the AAP may have dismissed the particular Appeal in whole or in part.

17.2.8.1 Permission for a Further Appeal shall only be granted if, in the view of the Chair of the EH Appeal Panel, there was a serious procedural or other irregularity in the procedure followed by the ALMC and/or the AAP in reaching the decision; and/or

17.2.8.2 A request for permission for a Further Appeal must be made within 7 days of the reasons for the decision of the AAP being sent pursuant to Regulation 17.2.6.1.

17.2.8.3 A request for permission for a Further Appeal must be in writing in a document headed "Further Appeal Request" sent to the EHCD marked for the attention of and to be forwarded to the Chair of the EH Appeal Panel (or if the Further Appeal is by the EHCD sent direct to the Chair of the EH Appeal Panel), and copied to the ALMC and the AAP. Within 7 days of receipt of the Request, the AAP shall send a hard copy Bundle of, and also as an attachment to an email, copies of all documents that were before the AAP to the EHCD marked for the attention of and to be forwarded to the Chair of the EH Appeal Panel.

17.2.8.4 The Further Appeal Request should include a summary of the facts and matters relied upon to satisfy the requirements for permission for a Further Appeal as set out in Regulation 17.2.8.1. If permission is granted the Further Appeal Request shall become the Appeal Notice for the purposes of the Further Appeal.

17.2.8.5 As soon as reasonably practicable after receipt of the Further Appeal Request and the accompanying copy documents, the Chair of the EH Appeal Panel shall consider the Request.

17.2.8.6 The decision of the Chair shall be notified in writing to the EHCD, the AAP, the ALMC and the Appellant that initially appealed the ALMC decision. If the decision is to permit the Further Appeal the Chair of the EH Appeal Panel is not required to give reasons, but if the decision is to refuse permission, such notification shall include succinct reasons for the decision.

17.2.8.7 The decision of the Chair of the EH Appeal Panel shall be final.

## APPENDIX 6 – SHOOTOUT COMPETITION

Three players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Appendix. The shoot-out competition comprises all series of shoot-outs required to determine a result. The following sets out both the playing Rules and the procedures to be followed.

1. The respective team managers provide three players to take and one player to defend the shoot-outs from those on the match report form except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions/replacements are permitted during the shoot-out competition other than as specified below.
2. If the shoot-out competition takes place after the end of a match, the first shoot-out shall take place within four (4) minutes of the end of the match.
3. A player who is still serving a disciplinary suspension by the Tournament Director at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
4. The Tournament Director will specify in advance the goal to be used.
5. The Tournament Director will brief teams, umpires and officials in the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
6. A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.
7. All persons listed on the match report form, other than any player who is still serving a disciplinary suspension by the Tournament Director at the time the shoot-out competition takes place, or has been excluded permanently (red card) during the match which leads to the shoot-out competition, are permitted to enter the field of play outside the half used for the shoot-out.
8. The goalkeeper/defending player of the team taking a shoot-out may be on the back-line outside the circle.
9. A player taking or defending a shoot-out may enter the half used for the shoot-out for that purpose.
10. Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
13. Three players from each team take a shoot-out alternately against the goalkeeper/defending player of the other team making a total of 6 shoot-outs.
12. Taking a shoot-out:
  - 12.1 the goalkeeper/defending player starts on or behind the goal-line between the goal posts;
  - 12.2 the ball is placed 3 metres outside the circle opposite the centre of the goal;
  - 12.3 an attacker stands behind but near the ball;
  - 12.4 the Umpire blows the whistle to start time;
  - 12.5 an official at the technical table starts the clock;
  - 12.6 the attacker and the goalkeeper/defending player may then move in any direction;
  - 12.7 the shoot-out is completed when:
    - 12.7.1 6 seconds has elapsed since the starting signal;
    - 12.7.2 a goal is scored;
    - 12.7.3 the attacker commits an offence;
    - 12.7.4 the goalkeeper/defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
    - 12.7.5 the goalkeeper/defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;

- 12.7.6 the ball goes out of play over the back-line or side-boards; this includes the goalkeeper/defending player intentionally playing the ball over the back-line;
  - 12.7.7 if the ball rebounds off a goalkeeper/defending player over the side-boards, the shoot-out is completed; if the ball is propelled by a goalkeeper/defending player over the side-boards, the shoot-out is retaken by the same player against the same goalkeeper/defending player.
13. If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the match report form, subject to the provisions of clauses 16, 17 and 18 of this Appendix.
  14. The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.
  15. A player may be suspended by a yellow or a red card, but not by a green card during the shoot-out competition.
  16. If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:
    - 16.1 that player takes no further part in that shoot-out competition and, unless a goalkeeper/defending player, cannot be replaced;
    - 16.2 the replacement for a suspended goalkeeper/defending player can only come from the three players of that team nominated to take part in the shoot-out competition:
      - 16.2.1 the replacement goalkeeper/defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player they are replacing was wearing;
      - 16.2.2 for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
      - 16.2.3 any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.
  17. If during a shoot-out competition, a defending goalkeeper/defending player is incapacitated:
    - 17.1 that goalkeeper/defending player may be replaced by another player from among the players listed on the match report form for that particular match, except as excluded in this Appendix or unless suspended by an umpire during the shoot-out competition;
    - 17.2 the replacement goalkeeper:
      - 17.2.1 is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper/defending player was wearing;
      - 17.2.2 if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off his/her protective equipment to take their shoot-out and subsequently to put it on again.
  18. If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the match report form for that particular match, except as excluded above or unless suspended by an umpire during the shoot-out competition.
  19. If an equal number of goals are scored after each team has taken three shoot-outs:
    - 19.1 a second series of shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
    - 19.2 the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
    - 19.3 the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
    - 19.4 when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, that team is the winner.
  20. If an equal number of goals are scored after a second or subsequent series of three shoot-outs, an additional series of shoot-outs is taken with the same players subject to the conditions specified in this Appendix:
    - 20.1 the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
    - 20.2 the team which starts each shoot-out series alternates for each series.

3. Tournament Directors shall be empowered to suspend any player, or named official, for one or more matches for misconduct on or off the field of play during the Super 6s. For the avoidance of doubt the definition of misconduct shall include but not be limited to a breach of the Code of Ethics and Behaviour. 6. A failure by a team to comply with the procedure in point 5 above will result in the dismissal of the protest.
7. For the avoidance of doubt, a protest concerning a decision of an umpire or a technical official during a match or shoot-out competition may not be made to or considered by the Tournament Director.
8. The Tournament Director is empowered to determine any protest received that complies with the requirements of point 5 and does not fall within the prohibition under point 7. The Tournament Director will consider the protest and the decision on such a protest will be given to the teams involved within two hours of receipt of such a protest. The team manager(s) must make arrangements with the Tournament Director to be available to receive the decision.
9. The Tournament Director shall be entitled to request such video, written or oral evidence as they consider necessary to make any decision under consideration.
10. The Tournament Director shall ensure that all match results are properly recorded and publicly accessible via TMS.
