### Young Leader Training Tutor notes

### SCHOOL GAMES FESTIVAL

This learning programme is a model for delivery and should be flexible based on the individuals attending the course.

#### Key learning outcomes

By the end of the training, learners should be able to:

- Help to set up and lead the School Games skill based festival hockey offer and understand the design of the festival
- Demonstrate and explain various fundamental skills that will support the development of the participants
- Deliver engaging activities for their participants
- Ensure the festival is set up safely
