# Round up

**Congratulations to all our teams who won  
their Division within the West League**

- All games have been played and GMS is up to date with the final positions of each of the Divisions
- All Clubs have completed a form with their planned teams and contact information for next season. There are still a few changes ongoing which we are still working through
- The League structures for next season are being prepared and will be shared at the Annual League Meeting – compulsory attendance
  - **MAY 13<sup>th</sup> at 19.00**
- We review the entire structure and try to balance competition and travel across all Divisions. The picture moves each season as different teams are promoted / relegated
- All Clubs should update their GMS contact lists in line with your AGM elections. Some Clubs have over 20 contacts – there is no way of knowing which are the relevant ones for 2025 26 season

# Regulations

**The annual review of Regulations is underway, the new Regulations are due to be released end of June and will be published on the West website**

## ELIGIBILITY

- Players should gravitate to a regular team – with 50% of their games being with that team!
- Last four matches, or when higher teams in Club not playing this is essential
- ALL players – ie including GK
  - Any changes your Club would like made can be suggested via the form that is on the West website
  - This will then be assessed as part of the annual national review

## MATCH SHEETS

- Players, **UMPIRES**, Goals, Scorers and Cards

## DOUBLING UP

- Should only be an essential action to get 11 players on the pitch to have a game played

## EH Policies

- By joining the League you elect as a Club to adopt and abide by all of EH Policies

## CLUB MEMBERSHIP

- Only ONE Club in the West. University students can play for a “home” club only below Grade 3 AND in another Area
