MIZUNO HOCKEY

WORLD CLASS, HEAD TO TOE.

WELCOME

**ENGLAND
HOCKEY**

Nottingham's outstanding hockey facilities make it the perfect venue for this year's Talent Academy Cup. Over the next three days, 864 players across 48 teams will go head-to-head, supported by nearly 150 dedicated coaches and team managers.

Success in tournament hockey is shaped by many factors – thorough preparation, thoughtful analysis, and effective recovery all play a part. We've listened to feedback and made key changes to enhance the Talent Academy competition. This year, the Cup pools have been structured based on rankings from the Conference pool games, which we hope will lead to closer, more competitive matches.

It's important to remember that this event is first and foremost a talent development competition. Of course, players and coaches are here to win – but how they compete, how they respond to both success and setbacks, and the courage they show in trying new things matters even more.

To everyone supporting from the sidelines, we urge you to encourage and celebrate every player's effort on the pitch. Please allow them the space to make their own decisions during games without distraction from the stands. Likewise, our young umpires – just like the players – are developing their skills and may occasionally make mistakes. Please show them the same support and understanding.

An event of this scale wouldn't be possible without the incredible work

behind the scenes. My heartfelt thanks go to Nottingham Hockey Centre, the University of Nottingham, and the team at England Hockey for their collaborative efforts in bringing the event back to this brilliant venue. We are especially grateful to our amazing Hockey Makers, whose time and energy make events like this possible.

This Talent Academy Cup marks the end of the third year of the Talent Academy programme and the conclusion of the first three-year licensing cycle. Following a recent tender process, I'm delighted to confirm that from September 2025, we will have 23 club-based Talent Academies in place, with England Hockey continuing to lead one in the North West. The progress of both players and environments over the last three years has been hugely encouraging. Whether you are a coach, welfare officer, committee member, or a parent supporting from the side-lines – thank you for your continued dedication and hard work.

Whatever your role at this year's Talent Academy Cup, I hope you have a fantastic time. Enjoy and celebrate what promises to be a spectacular showcase of junior hockey. And please, share your experience of the Cup – and the opportunities to get involved in hockey in your local area – so together we can help make our sport more visible and accessible to even more young people.

2025 TA CUP UNIVERSITY EXHIBITION

**We are excited to welcome the following universities to the
2025 TA Cup University Exhibition, which will be held at the
Nottingham Hockey Centre between 25-27 July.**

This exhibition provides an ideal platform for universities to engage with potential student-athletes and showcase their programs, facilities, and opportunities.

We are delighted to be welcoming you to the Talent Academy Cup in the heart of England, Nottingham.

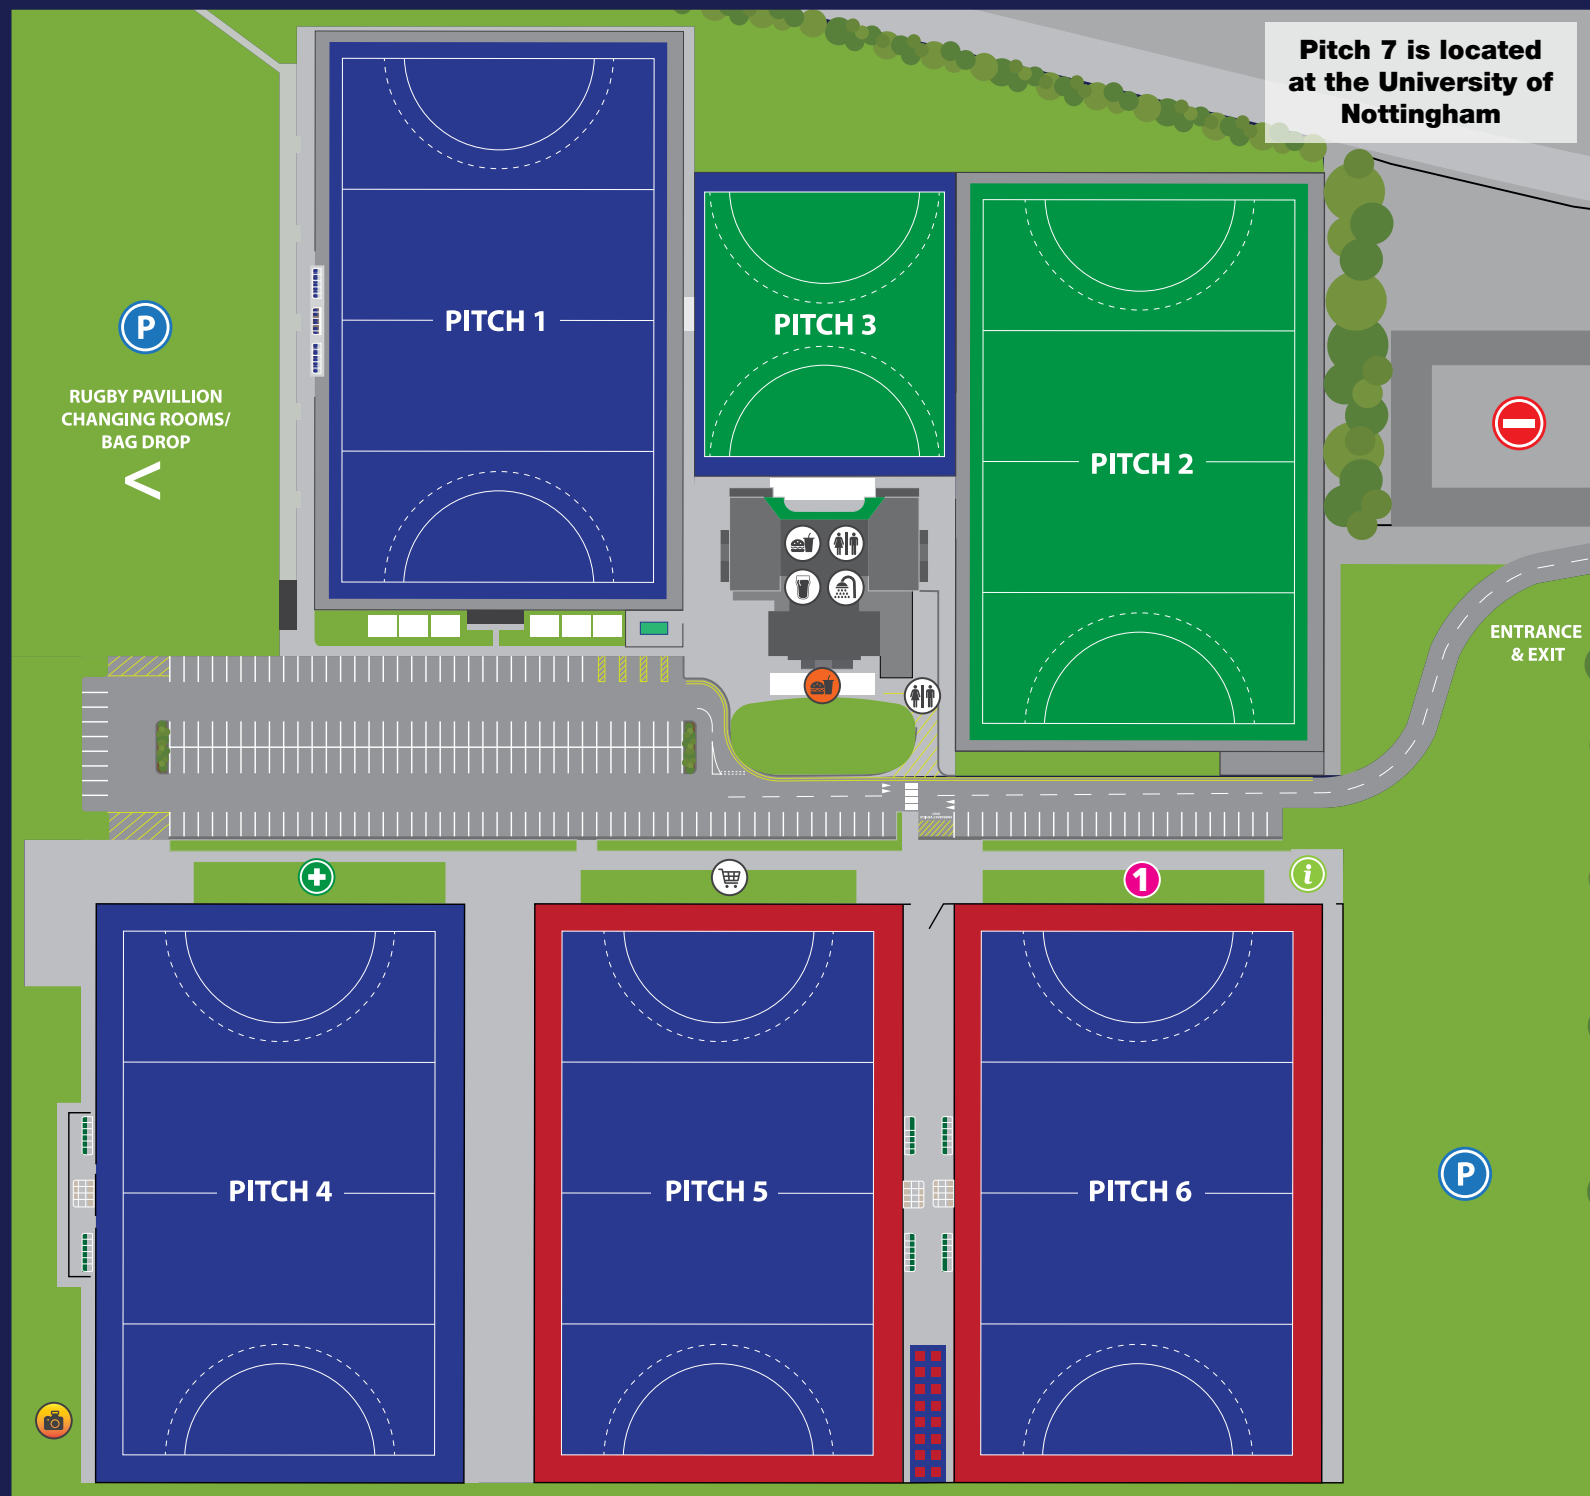

Nottingham Hockey Centre, which is the home of Beeston Hockey Club, is the premier club facility in Great Britain. The Centre has five full sized hockey pitches and a grandstand on the main pitch, as well as the newly refurbished 'Stick & Pitcher' Bar on the first floor of the clubhouse and Cafeteria on the ground floor. The Centre is within 5 minutes walking distance of the nearest tram stop, which goes into the city centre of Nottingham. For the majority of you travelling from outside of the UK, the hockey centre is just 20 minutes drive from East Midlands Airport, and a short 90 minute train journey away from London.

If you've never been to Nottingham, it's famous for quite a few things, not just Robin Hood! A vibrant European city with numerous cafes, restaurants and bars, the city is also known for the Trent Bridge Cricket Ground, the City Ground, Meadow Lane, Ibuprofen, HP Sauce and Castle Rock Brewery which all started in Nottingham – in many ways they're our local treasures.

The Hockey Centre is set in the picturesque grounds of Highfields Park, which was left in trust by Jesse Boot, founder of The Boots Company PLC, for the people of Nottingham for sport and recreation. This legacy has enabled us to develop one of the best sporting corridors in the country including hockey, tennis, football, rugby, cricket, netball, croquet, bowls and beach volleyball! We welcome you all to our home of hockey, hope you enjoy our warm hospitality and have a memorable time here.
