

Area Technical Officiating Lead Report for AGM May 2025

What we have done last season

- Have again supplied officials for regional tournaments (west indoor Finals)
- Had 1 new person that became a technical official during this season

Plans for this season

- Will try and go out to all Clubs in the west with a expression of interest form to see if we can get any people that would like to find out more about technical officiating
- To get some courses ran on technical officiating if we get the interest from the clubs.
- To continue to support events and tournaments with technical officials.
- To see if we can run a course during a west tournaments for any one who would like to learn and get these advertised on west social media and through clubs.
