WELCOME

FROM NICK PINK, ENGLAND HOCKEY

We are delighted to welcome participating teams to the In2Hockey finals.

We congratulate the schools and clubs here today on winning their Area competitions. We hope that players enjoy the experience of playing against their peers from around the country for the first time.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents.

We are pleased that the tournaments will be umpired by young umpires, nominated by Area Officiating Committees, supported by a team of coaches, who, along with many of our senior international umpires, saw participation at this event as an important first step in their officiating career. This event is in place to give development opportunities for both players and coaches and we trust spectators will recognise this and support all who are taking part.

All team and tournament officials are part of the thousands of people in our sport who continue to help hockey move forwards. This tournament may well be the last event of the season for you and we hope you will get a well-deserved break before plans for next season start to take shape.

Today's event ends a busy couple of months of domestic hockey finals. After this our focus now turns to the international game and you will see our Pro League matches advertised elsewhere in the programme. With tickets from £8 for Under 18s it would be great to see young players from this tournament looking to aspire and learn from the Great Britain squads and enjoying our excellent international event experience.

The team at Nottingham Hockey Centre has always been at the forefront of developing hockey facilities. Working with their partners to create a venue with five pitches is an amazing achievement and is coupled with excellent on-event support. This allows us to host days such as today, bringing over 300 young people together to enjoy our fantastic sport. We hope it is a memorable day for you all.
