

London Hockey Masters World Cup Policy

Masters World Cups

We are aware that there are two Masters World Cups are coming up this year.

O35-O40 W & M (includes Spirit of Masters for both W & M in both age categories); and MO65+ (including Spirit of Masters)
Cape Town, South Africa 12-12/10/2024

O45-O70 W; O45-O60 (includes spirit of Masters for both W & M in all age categories).
Auckland, New Zealand 7-16/11/2024

Should a single team have 3 or more players away at a World Cup on a given match date, that team will be able to request a rearrangement of the match date with their opposition. This will be subject to the agreement of both teams and the ALMC.

Any such rearrangement should be a matter of priority for affected teams and should be done before the season starts. Matches should be rearranged for the nearest slip dates or local midweek matches, where possible.

Please provide the league with the names of all selected international players, stating their team in your club and the nation and age group they will be representing.

ALMC
26th July 2024
