ENGLAND HOCKEY BACKGROUND

England Hockey's mission is to “**share the love of hockey and work together to make hockey more visible, relevant and accessible to all**”. The current focus for the organisation is delivery of its 5 objectives within the 2023-2028 strategic plan which can be found [here](#).

England Hockey is the National Governing Body for the sport of Hockey in England and is responsible for the management and development of the sport from grass roots to elite activities. We:

- Have a **membership** comprising clubs (750+), counties (42), and Areas (8) that affiliate to it. Approximately 160,000 individuals play in the club system, with an estimated 20,000 playing at university/colleges. C.900,000 children play at school. More than 15,000 coaches, umpires and officials are supported / developed.
- Have an **income/expenditure** of average £9m p.a. The Chief Executive is directly responsible for the operational budget but the Board, chaired by the Non-Executive Chair, approves the annual plan and budget.
- **Employ** 74 staff and contract with approximately 50 part time consultants mostly in the performance and coaching area. Circa 50 volunteers work at national level to run the sport, with thousands more running the great bulk of grass roots hockey.
- **Are currently the 'nominated country' on behalf of Great Britain Hockey** to qualify and prepare the Great Britain squads for the Olympics. The England Hockey Chief Executive, Performance Director and Head Coaches represent Great Britain as well as England Hockey. There is a Great Britain President to chair the Great Britain board which meets three times a year.

ENGLAND AGE GROUP ACITIVTY

The purpose of England Age Group Activity

- Develop an oversupply of players for the GB Elite Development Programme and England U21 Programme who have the potential to be world leading senior internationals
- Facilitate best versus best domestic training for an identified group of players
- Exposure to the highest potential young players of junior international competition and the demands of international hockey
- Deliver a holistic player development philosophy with an inclusive culture

ROLE SUMMARY

Looking to Los Angeles 2028 and beyond, there is an exciting opportunity to support young and talented players more effectively and see more exceptional young players develop across the country.

Our aspiration is to create:

- A phenomenal 'talent pipeline' the hockey community in England (Great Britain) is proud of
- A talent identification system which attracts and excites young people irrespective of their background and inspires them to be the best they can be
- Talent development environments which engender competition for places at every stage, leading to dominant club performances in Europe and England / Great Britain junior and senior international teams dominating international hockey

Critical to achieving this is creating shared ambitions for talent identification and development across school, club and pathway activity and working collaboratively across the junior talent development landscape to provide more impactful experiences for young players

Responsibilities of Assistant Coach
