### Adult League Update

A number of postponements due to the inclement weather in December have been rearranged by teams to be completed by end of January.

Some fixtures have been rearranged for the 2 slip dates in February.

The league is grateful for the work that club fixture secretaries have done to get the fixtures rearranged.

We all hope that the weather is mild for January and February.

#### EXPENSE CLAIMS :

Umpires thanks for submitting your H1 expenses. We have paid out 102 claims. All that have given bank details have been paid. ## Junior Leagues Update

The competitions were held at KES Southampton and SWB Marlow. The competition had more entries than last year which is promising for future years. We hope that we can grow the indoor competition year on year and be able to have a competitive indoor season for our junior clubs. Please get in touch if you would like to be involved in supporting junior indoor in the South Central Area by email [kateporter1@googlemail.com](mailto:kateporter1@googlemail.com)

We wish luck to our South Central teams at the junior indoor nationals on 14th and 15th January.

These teams are:

U16 girls. They are Marlow, Trojans, Reading, Winchester: U16 boys are Trojans, Reading and Oxford Hawks : U14 boys are Trojans and Marlow + one other: U14 girls are Havant and A&C + one other

League hockey for juniors will restart on 15th January however with adult fixtures needing to be replayed due to the cold snap in December some of these fixtures may fall by the wayside. 3 U14 and U16 boys and girls teams from South Central Area will be playing in the England Hockey supra league in 2023. The teams left are playing in a new T1 plate competition created by combining with South East and London Areas. We hope that these fixtures will add a more interesting dimension to their matches.

The junior club finals took place over the weekend 10th and 11th December . The competition was bigger than last years competition and was well contested by all teams who entered.

BU16 Trojans who beat Marlow in the final and won their group comfortably.

BU18 Winchester who drew 5-5 with Marlow had to beat Trojans to go though and did eventually break down a tough opposition to come through as winners

GU16 Marlow won without conceding a goal in their round robin competition
