WELCOME

FROM NICK PINK, ENGLAND HOCKEY

We are delighted to be kicking off our outdoor hockey events programme for 2023 with the finals for our Schools Tiered Championships.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents. Thanks also go to the umpires and officials who give their time freely to run the tournaments in a structured and fair manner. We are especially grateful to the Midlands Area Officiating Committee who have supported us with the appointment of umpires. All of you are part of the thousands of people in our sport who continue to help hockey move forwards.

You will see our Pro League matches advertised elsewhere in the programme. With tickets from £5 for Under 18s it would be great to see young players from this tournament looking to aspire and learn from the Great Britain squads and enjoying our excellent international event experience.

The team at Nottingham Hockey Centre has always been at the forefront of developing hockey facilities. Working with their partners to create a venue with five pitches is an amazing achievement and is coupled with excellent on-event support. This allows us to host days such as today, bringing almost 400 young people together to play our fantastic sport. We hope it is a memorable day for you all.

HOPING TO PICK UP A PRINTED PROGRAMME?

England Hockey has taken the decision to go digital for all event programmes from 2023.

There are a number of contributing factors, but the main ones are:

- It is more environmentally friendly and avoids unnecessary paper wastage with printing
- It provides greater flexibility for more dynamic content in the programme and allows us to update late information
- We can provide the programme digitally free of charge for spectators and participants.

HOWEVER, GETTING TO A NATIONAL FINAL IS A BIG DEAL!

We recognise that you may wish to get your hands on a printed programme for the memory box, and we're pleased to tell you that it's still possible!

1. PRINT AT HOME

This is the perfect problem-solver for those of you with a printer at home (or in the office!) We are providing a free PDF file, set up for printing on both sides as a booklet. Simply download and print as many as you'd like! Download your copy from the England Hockey website

https://eng.hockey/NottsSport_Schools_Champs_2023

2. ORDER A PRINTED VERSION

If you don't have access to a decent enough printer to opt for the free-of-charge print-at-home solution, you can order a printed copy for £9.95 + £2.50 P&P. Our programme partners, JMS Creative, will print copies to order and post to your home. To order your copy, complete the form here

Trio of Schools Win Maiden Girls Schools' Titles

Nottingham Hockey Centre played host to the first Girls' Schools Finals championships held since 2020, with three schools claiming their first ever pieces of silverware since the event began back in 1980.

Bromley High School, Lord Wandsworth College and St John's School, Leatherhead all emerged as victors in the second running in each of their respective events as a total of 48 matches were played across the course of the day (7 February 2022).

St John's School, Leatherhead won the **U14 Girls' Tier 2** competition, having finished fourth two years ago. They began their campaign by topping Pool A with two wins and a draw, booking a place in the final against reigning champions Bedford Girls School, who won all three group games they contested. It was the team from Surrey who would take home the trophy this time however, a single goal from Ivy Wright enough to see St John's win 1-0.

With reigning champions Truro High School not competing in this year's **U16 Girls' Tier 3** final, an opportunity arose for a new winner to be crowned. **Lord Wandsworth College** swept aside their opponents in the group stages, winning all three games to reach the final. They were joined by Sevenoaks, one of three teams to finish on six points in their pool but a superior goal difference meant it was the Kent-based outfit who would contest for gold. They fought hard against Lord Wandsworth College but two goals in five minutes from Monica Watkins – her sixth and seventh strikes of the day – saw the Long Sutton school to the win.

A new winner was also certain in the **U18 Girls' Tier 4** competition with Wells Cathedral School not contesting this time round but who

Bedford Girls' School celebrate during the 2022 finals

would emerge on top? Hill House topped their pool with two wins and a draw but it was **Bromley High School** who looked the team to beat, winning all of their opening games. Hill House struck first in the final, Fairth Martin-Porter giving her team the lead before Sasha Kelbrick equalised two minutes later. With the game looking as though it was going to a shootout, Bromley won a corner in the dying seconds that was converted by Louise Coley to ensure her school returned to London as champions.
