# CELEBRATING 10 YEARS AS THE ONLY OFFICIAL FACILITIES PARTNER TO ENGLAND HOCKEY.

# WELCOME

FROM NICK PINK, ENGLAND HOCKEY

**We are delighted to be returning to Lee Valley Hockey and Tennis Centre for two more days of schools' championships action, with the finals of our Notts Sports Boys Schools Championships.**

The Under 14 Tier 1 Championships has a new knockout format this season and the Under 16 Tier 1 Championships were run as mini leagues in the early stages, again ensuring each team had at least three matches, with teams qualifying for the final via knockout stages. Both have Plate tournaments giving additional opportunities for more teams.

The new U16 Tier 1 format has opened up opportunities for schools participating in the Tier 2 Championships, similar to what has been in place for a number of seasons at U18 level where the Tier 1 league format continues to be successful for the highest ranked schools.

In all and including the Girls, Boys U18 Tier 1 and all lower tier championships held earlier this year 92 different teams will have taken part in national schools' finals across the U14, U16 & U18 age groups and we are proud that the changes made to our programme, in consultation with schools, to develop a tiered structure has been successful. The many new faces here, taking their place alongside traditional qualifiers, is a testimony to that. Congratulations to all teams on their achievement to date and best of luck at the final hurdle.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents. Thanks also go to the umpires and officials who give their time freely to run the tournaments in a structured and fair manner. All of you are part of the thousands of people in our sport who continue to help hockey move forwards.

We thank the staff here at Lee Valley Hockey and Tennis Centre for their support in hosting days like this which we hope will be memorable for you all. It is a busy few weeks here and we hope that players here will want to return to see our international teams in Pro League action in June as we prepare for the Paris Olympics.

# U16 T1 POOLS

The initial 25 entries were placed in 6 geographically-determined pools. On the conclusion of the pool stages, the pool winners and runners-up, plus the four 3rd placed teams with the best records, played in the Last 16.

The winners of these ties qualified for quarter finals and success at that stage earned a place at Lee Valley. Teams who failed to qualify for the Last 16 played in a Plate competition with the winning semi-finalists qualifying for today's final.

# THE HOCKEY museum

giving hockey's history a future

The Hockey Museum is a registered charity and is the first and only museum of hockey in the world.

We preserve, share and celebrate the rich history and heritage of hockey, from evidence of its ancient roots across multiple continents, to the modern, diverse and universal Olympic sport.

It is powered by a diverse and experienced team of over 70 volunteers, 2 members of staff and a board of trustees.

Our collection, and home to a small exhibition space and library, is 13 High Street, Woking, England.

THM is fully reliant on support from a wide range of sources and there are many ways that you can donate to help care for and preserve the hockey's legacy and the collection for future generations.
