

2023

PPG Year In Review

Bringing color and brightness to PPG's global communities.

PPG and the PPG Foundation investments build the next generation of diverse and innovative **STEM leaders** (science, technology, engineering and mathematics), deliver **community transformations** through colorful spaces and activate the **talent of our employees**. From helping students thrive to aiding our neighbors in times of need, our community engagement activities support our company's purpose to "protect and beautify the world."

2023 SNAPSHOT

- **\$17.5MM+** PPG and PPG Foundation global giving
- **450+** worldwide partners
- Supported PPG communities across nearly **40 countries**
- **89% progress** toward DE&I commitment of \$20MM by 2025, focused on programs targeting Black communities and people of color in the U.S.
