the gibson hotel

we do weddings. we do celebrations. in fact, at the gibson, we do great do's.

the gibson hotel offers flexible & creative little big days, unique no matter what size it is. micro-weddings and post wedding parties can all be hosted at the gibson.

what you choose will depend on your own personality and style — whether that's the urban backdrop of the stratocaster suite where you'll enjoy the panoramic view of Dublin bay, the alhambra suite where the 3 arena will give you a music vibe and entertain your close entourage or perhaps the exclusive residents bar where cocktails & canapés are more your style.

.....
hello
