You will learn more about brewing techniques, recipes, flavour combinations and how we create the perfect match of beer and food.

The tour is followed by a beer tasting, and you are also welcome to explore our mouth-watering food offering and try a selection of our exquisite beers, wines, spirits and cocktails.

We run walk-in tours weekly on Wednesdays at 5 pm and Saturdays at 2 pm and private tours are available for bookings of over 6 pax.

Wine & Whiskey Tastings

Whether it be wines from a certain region or grape variety, for beginners or the advanced, we are always on hand to meet your needs and preferences.

Irish or world whiskey tastings as well as gin, or cocktail demonstrations can be a great way to taste, explore, collaborate and have lots of fun in the process.
