Safety First

The Address Citywest offers superb spacious Meeting and Events spaces that have now been adapted to meet the challenges of Covid-19. We are committed to providing excellent service to our meeting delegates & event guests in a safe environment.

Our "Safety Program" focuses on the health and safety of our guests, delegates and employees. Our spacious meeting and event spaces ensure social distancing is fully observed and supported by additional safety protocols.

Our maximum capacities have been reduced to enable social distancing between delegates and adhere to the safety guidelines provided by the HSE.

Some of these measures include:

- Hand sanitising stations have been installed in all meeting rooms.
- Visual aids have been installed in restrooms and public areas to remind delegates of best hand hygiene practice, respiratory hygiene and cough etiquette.
- All meeting spaces are deep cleaned and sanitisation of all touch points including door handles, lift buttons, hand rails, meeting room equipment, cables, glass water bottles, pencils and light switches.
- We ask that attendees sanitise their hands as often as needed to ensure maximum safety.
- We ensure the practice of social distancing in all public areas and help organisers to safely usher delegates to their meeting room.
- We actively remind our clients of the importance of communicating personal responsibility for self-distancing when in their meeting space.
- We keep a contact register of all meeting delegates.
- We ask that delegates do not attend a meeting if they have a high temperature or are feeling unwell.

The Lodge

unique | intimate | vintage | rustic

This is something very special, a two-storey, circa 300-year-old Georgian building that has been re-designed in sympathy with the beautiful style and heritage of its time.

This was once home to the Irish tenor Josef Locke whose name and creativity lives on in the inspiration for this event space.

Each room of the house has been tastefully curated as a unique event space, going beyond all modern in-room technologies that you expect, these rooms have a functioning fireplace to add real atmosphere to any event.

There are 6 event spaces in the house that accommodate up to 120 delegates (60 with social distancing), outside The Lodge is a Secret Garden where outdoor events can be enjoyed all year round.
