Words in **bold** in this Membership Handbook are defined terms. These are words or phrases commonly used in the private health insurance industry. **You** can find full explanations in the Definitions section at the end of this Membership Handbook. Where these terms appear in the text, it is important that **you** understand the meaning and read these in conjunction with the rest of terms and conditions throughout this document.

# 1 Your Contract

## Everything you need to know about your policy

Your contract with us is made up of the following:

- > Your Membership Handbook
- > Your completed Application Form, whether completed by you or on your behalf (if applicable)
- > Your policy documentation, which sets out your plan, your membership number, your commencement date and your next renewal date
- > Your Table of Cover, which outlines the benefits in your plan and which List of Medical Facilities applies to your plan
- > The Schedule of Benefits, which sets out the treatments and procedures we cover
- > The Lists (explained below)
- > Terms of Business
- > Data Privacy Statement

Health insurance policies are contracts between the insurer and the policyholder, because the policyholder (or in some cases their employer) is the person who has arranged and paid for the policy. However, the terms and conditions of this contract will apply to all plans and all claims made under the policy. Therefore, where we refer to ‘you’ and ‘your’ throughout this Membership Handbook, we refer to both the policyholder and the member(s) listed on the policy. This also applies to members of group schemes. If you are a member of a group scheme where your employer has arranged your cover and is paying all or part of your premium, the Group Schemes section in this Membership Handbook will also apply to you.

You must ensure that the information that is provided to us when you are taking out a policy (whether in an application form or otherwise) is accurate and complete (even where the information is being provided to us by someone on your behalf). Otherwise, it could mean we won’t pay a claim under the policy and some or all of the members’ plans under the policy may be cancelled. This may also cause difficulty should you wish to purchase health insurance elsewhere.

## Understanding your cover

Health insurance cover can be difficult to understand so to help you check your cover we have set out a checklist below. We understand that it may be difficult for you to figure out whether you are covered yourself so if you’re in any way unsure, please call us on 01 562 5100 and we’ll walk you through it. In fact, we would always advise you to check your cover with us before undergoing any procedure or treatment or being admitted to a medical facility. When checking your cover with us, you will need to tell us where you intend to have the procedure or treatment performed, the name of your health care provider and the procedure/treatment code. You can get this information from your health care provider.

The checklists below explain what to look for to see if you are covered under your Day-to-day Benefits, Out-patient Benefits or In-patient Benefits. You will notice that some of your benefits will be classed as Maternity Benefits or Other Benefits on your Table of Cover. Some of these benefits are claimed as Out-patient Benefits or In-patient Benefits and the checklists below will apply to these.

## Day-To-Day Benefits and Out-patient Benefits

As you can see, you will need to take many factors into account to see whether your health expenses are covered. Below is a short explanation of the contractual documents and other factors that you need to take into account to see if you are covered.

## Membership Handbook

This document:

- > will help guide **you** through **your** health insurance cover
- > explains the general terms and conditions of **your** contract with **us**
- > explains all **our** **benefits** including the terms and conditions which apply to each (but please note that all these **benefits** may not be available on **your plan**)
- > sets out the things that are not covered under **your plan**
- > explains how to make a **claim**

Section 12 of this Membership Handbook contains tables which show the **medical facilities** that are covered under **our plans**. They also show if **we** pay them directly (known as **direct settlement**) or if **you** need to pay them yourself and **claim** this back from **us**. **You** will be covered for the **medical facilities** specified in one of four lists shown in the tables (**your** "List of Medical Facilities"). **Your** Table of Cover shows which List of Medical Facilities applies to **you**.

### Table of Cover

**Your** Table of Cover sets out the **benefits** that are available under **your plan**.

### The Schedule of Benefits

The Schedule of Benefits is sectioned by specialty and sets out the **treatments** and **procedures** **we** cover and which of these need to be **pre-authorised**. It shows the **clinical indicators** that must be present in order for a **procedure** or **treatment** to be covered. It also specifies that certain **treatments** and **procedures** will only be covered if they are performed by a certain type of **health care provider** or if they are performed in a certain place (i.e. in a hospital).

The **GP** section sets out the **procedures** and **treatments** that **we** will cover when they are carried out by **your GP** in their surgery. It also shows which of these **procedures** and **treatments** require **pre-authorisation** and sets out any **clinical indicators** that apply. These documents contain medical language which is really designed to be read by doctors and **consultants**. For this reason, **we** would advise **you** to contact **us** or **your health care provider** before undergoing **your procedure** or **treatment** to confirm whether it will be covered by **us**. The Schedule of Benefits can be accessed on **our** website at [Irishlifehealth.ie](http://Irishlifehealth.ie) or a hard copy can be requested from **us**.

### The Lists

These Lists show what is covered under certain **benefits** and in some cases contain criteria which must be satisfied before the **benefit** will apply. **We** will let **you** know throughout this Membership Handbook or in **your** Table of Cover when it is necessary to refer to a List in connection with a **benefit**. The Lists are available on **our** website [www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits](http://www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits). The following is a brief explanation of each of the Lists:

#### 1. The List of Special Procedures

This confirms which **procedures** are covered under the Listed Special Procedures **benefit**. See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 2. The List of Cardiac Procedures

This confirms which **procedures** are covered under the Listed Cardiac Procedures **benefit**. See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 3. The List of Medical and Surgical Appliances

This list confirms the medical and surgical appliances for which **you** can **claim** a contribution from **us** under the medical and surgical appliances **benefit**. It also sets out the contribution that can be **claimed** for each appliance.

#### 4. The List of Orthopaedic Procedures Subject to Co-Payment

This list specifies the orthopaedic **procedures** where a co-payment applies when such **procedures** are carried out in a private or high-tech hospital.

#### 5. The List of Cardiac Procedures Subject to Co-Payment

This list specifies the cardiac **procedures** where a co-payment applies when such **procedures** are carried out in a private or high-tech hospital.

#### 6. The List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans

This list sets out the **clinical indicators** that must be satisfied for cardiac MRI and cardiac CT scans.

#### 7. The List of Post Operative Home Help (POHH) Procedures

The post-operative home help **benefit** is only available following certain **procedures**. These are set out in the List of Post-Operative Home Help (POHH) Procedures.

#### 8. The List of Gender Affirmation Procedures

This list confirms which procedures are covered under the gender affirmation **benefit**.

#### 9. List of Provider Partners

This list confirms the provider partners for which **you** can **claim** a **benefit**, discount from or contribution from **us** under certain **benefits**.

#### 10. The List of Ophthalmic Procedures Subject to Co-Payment

This list specifies the ophthalmic **procedures** where a co-payment applies when such **procedures** are carried out in a private or high-tech hospital.

#### 11. The List of Care Connect health programmes

This list confirms the health programmes available under the Care Connect **benefit**.

### Ground rules

**We** will only cover the costs of **medical care** which **our** **medical advisers** believe is an **established treatment** which is **medically necessary**. In addition, **we** only cover **reasonable and customary costs**.

### Clinical Indicators

In some cases medical criteria known as **clinical indicators** need to be satisfied before **our** **medical advisers** will consider the **treatment** or **procedure** to be **medically necessary**. If **clinical indicators** apply, they will be set out alongside the **procedure** or **treatment** in the Schedule of Benefits or in the List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans.

## Pre-authorisation

Certain **procedures** and **treatments** are not covered unless they are approved in advance by **us**. Approval is only given where the **procedure** or **treatment** meets specific **clinical indicators** or we determine that it will result in a reasonably favourable medical prognosis. If **your treatment** or **procedure** needs to be **pre-authorised**, this will be specified in the Schedule of Benefits. To apply for **pre-authorisation**, **your health care provider** must submit a request in writing to **Irish Life Health** in order for **your claim** to be considered. **We** will assess **your** request as soon as possible but in any case within 15 working days.

The **treatment** must begin, or **surgical procedure** must be performed, before **your pre-authorisation** expires. **Your pre-authorisation** will end either six months from when it is granted, or if **you** change **your plan** and reduce your level of cover, or if **you** cease to be a **member** of **Irish Life Health**, whichever is sooner.

## Your health care provider

In most cases **your treatment** or **procedure** will be carried out by **your consultant** but there are some **treatments** and **procedures** listed in the Schedule of Benefits which can be performed by **your GP, dentist, oral surgeon or periodontist**. The professional fees of health professionals can be covered as an In-patient Benefit, an Out-patient Benefit or a Day-to-day Benefit depending on type of care **you** receive.

Generally when **you** receive a **procedure** or **treatment** that is listed in the Schedule of Benefits, **your health care provider's** fees will be covered under **your** In-patient Benefits. **We** fully cover **health care providers** who are registered with **us** and have agreed to accept payment from **us** in full settlement of their professional fees (**i.e.** a participating **health care provider**). **You** will have to pay most, or all, of **your health care provider's** fees yourself if they are not registered with **us** or are not participating. Please see section 2.2 of this Membership Handbook for a full explanation about how **your health care provider's** professional fees are covered under **your** In-patient Benefits.

Generally an **out-patient** consultation with a **consultant** or a visit to **your GP or dentist** will be covered as a Day-to-day Benefit or an Out-patient Benefit. In these circumstances it doesn't matter if **your consultant/GP/dentist** is registered with **Irish Life Health** or is participating. Day-to-day Benefits and Out-patient Benefits usually allow **you** to **claim** a contribution from **us** towards a certain number of visits to **your consultant/GP/dentist** in **your policy year**. If these **benefits** are available under **your plan**, the amount **you** can **claim** back per visit and the number of visits for which **you** can **claim** will be shown in **your** Table of Cover.

## Waiting periods

**Your** medical expenses will not be covered until after **your** waiting periods have expired. Waiting periods are explained in section 6 of this Membership Handbook.

## Excess/Shortfall/Co-payment

**You** will need to pay any **excess**, shortfall or co-payment that applies to a **benefit** or a group of **benefits** under **your plan**. **You** can't **claim** these expenses back from **us**. **You** can see if an **excess**, shortfall or co-payment applies by checking **your** Table of Cover. See sections 2.1 and 2.2 of this Membership Handbook for more information on **excesses**, shortfalls and co-payments.

## Understanding changes to your cover

### 1. Changes to **your plan** on renewal

From time to time **we** alter the **benefits** available under **our plans**. If **we** alter the **plan** that **you** are on, the **benefit** changes will not affect **you** during **your policy year** but will apply if **you** purchase that **plan** at **your** next renewal. Therefore, it is important to remember that where **you** renew on the same **plan** the **benefits** may not be the same as they were in **your** previous **policy year**.

### 2. Changes to **your cover** throughout **your policy year**

In some cases, the cover that is available under **your plan** may change throughout **your policy year** for the following reasons:

#### Changes to the Schedule of Benefits

**We** review and where necessary amend the Schedule of Benefits regularly to update the **procedures** and **treatments** that are covered by **us** and the **clinical indicators** conditions of payment and/or payment indicators that apply to **procedures** and **treatments**. These changes may become effective during **your policy year**. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the List of Medical Facilities

**We** may add **medical facilities** to the List of Medical Facilities from time to time. **We** may also need to remove **medical facilities** from the List of Medical Facilities if **our** arrangement with those **medical facilities** ends. The **medical facilities** which will be paid directly by **us** may also change from time to time. See section 2.2 of this Membership Handbook for further details. **You** can find the most current versions of these lists on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to The Lists

**We** may need to make changes to the Lists from time to time to update the **procedures**, **treatments** and appliances that are covered under certain **benefits** and review the clinical indications, conditions of payment and/or payment indicators that are applied to them. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the status of **health care provider**

**Your health care provider's** status with **us** (**i.e.** whether they are registered and are a participating **health care provider**) may change from time to time. This means that the amount of their professional fees that **we** will cover may change throughout **your policy year**. **You** can check whether **your health care provider** is registered with **Irish Life Health** and whether they are a participating **health care provider** by contacting **us** on 01 562 5100. Please see section 2.2 of this Membership Handbook for further information on how **your health care provider's** status affects how their fees are covered.

#### Changes to **benefits** provided by provider partners

Provider partners **benefits** may change or cease during the **policy year** and such changes are outside of **our** control.

#### Changes required by law

In the event that **we** are legally required to make changes to any of **our** contracts, **policies** or **plans**, such changes shall effect **your plan** immediately.

The changes described above are automatically applied to all **our plans** as soon as they occur. **You** and the **members** named on **your policy** should always check the most recent Schedule of Benefits, The List of Medical Facilities and Lists, and check whether

**your health care provider** is registered with **us** and whether they are participating before undergoing any **procedure** or **treatment**, or being admitted to a **medical facility**. **You** can do this yourself by checking the most up to date information on **our** website or **you** can call **us** and **we** will check this for **you**.

**Acknowledgment**

By entering this **policy you** are acknowledging that **you** have read this Membership Handbook and understand **your** cover. In particular, **you** are confirming that **you** understand the contractual documents that make up **your** contract with **us** and that **your** cover may change throughout **your policy year**.

## 2 Your Cover & How to Claim

The **benefits** available under **your plan** are shown in **your** Table of Cover. They are divided into different sections mainly due to how they are **claimed** or the type of expenses covered. The following sections of this Membership Handbook explain the different types of **benefits** offered by **us**. Within each section is a table which lists **our benefits**, shows the terms and conditions that apply to each **benefit**, and tells **you** how to **claim** it.

Please note that all these **benefits** may not be available under **your plan**. **You** should check **your** Table of Cover to see which **benefits** apply to **you** and how much **you** can **claim** under each **benefit**. **You** will also be able to see on **your** Table of Cover if an **excess**, shortfall or co-payment applies.

How **our benefits** are categorised can change on different **plans**, so **you** may notice that some of **your benefits** appear in different sections in this Membership Handbook and on

**your** Table of Cover. If a **benefit** listed in **your** Table of Cover is not explained in the corresponding table in this Membership Handbook, please check the tables in other sections of this Membership Handbook. The terms and conditions that apply to **our benefits** (as described in the tables below) will always apply even if the **benefit** is positioned in a different section of **your** Table of Cover.

If a **day-to-day excess** or an **out-patient excess** applies to **your plan**, this will apply per **policy year** and will always affect all the **benefits** included in those sections of **your** Table of Cover. It doesn't matter if one or more of **your** Day-to-day Benefits or Out-patient Benefits appear in a different section in this Membership Handbook.

**You** will always be covered to the level of cover set out in the **Minimum Benefit Regulations** for the medical services listed in those regulations (subject to any waiting periods). Please see section 6 and the Definitions section of this Membership Handbook for an explanation of the **Minimum Benefit Regulations**. **We** will always deduct any withholding tax or other deductions required by law before paying **your claim**.

## 2.1 Day-to-Day and Out-patient Benefits

These **benefits** typically allow **you** to **claim** a contribution from **us** towards **visits** to certain medical practitioners or for certain medical services. The amounts that can be **claimed** and frequency or number of **visits** they apply to are set out in **your** Table of cover. Where contributions are listed as a single amount, they are claimable once per **policy year** unless otherwise stated. Please see the “How to calculate **your** cover under **your** Day-To-Day Benefits and Out-patient Benefits” section below for details on how **you** may be covered under these **benefits**. **You** can **claim** these **benefits** for medical services received in **Ireland** or when **you** are abroad.

Under some **benefits**, **you** may also be able to **claim** a discount directly from the provider partner. The discount that is available to **you** is set out in **your** Table of Cover. **You** will need to provide the provider partner with **your Irish Life Health** membership number at the time of purchasing or booking the products or service to avail of these discounts.

Day-to-day Benefits are not included on all **plans**. If they are not covered on **your plan** and **you** wish to add day-to-day cover to **your plan**, please call **our** customer service team on 01 562 5100 to see what options are available to **you**.

There may be instances where **benefits** in the Out-patient and Day-to-day sections apply to the same medical expenses. In this instance when claiming online, please check **your** Table of Cover to choose the section **you** wish to **claim** under. **You** cannot **claim** for the same medical expenses twice.

| Benefit                                                                        | Description / Criteria                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

### How to claim

If **your** scan is carried out in an approved centre (**i.e.** a scan facility that is covered in the appropriate table for **your** scan type in **your** List of Medical Facilities), **we** will pay the scan facility directly. If **your** scan is carried out in a non-approved centre (**i.e.** a scan facility that is not covered in **your** List of Medical Facilities) **you** will have to pay for **your** scan yourself and **claim** the amount that is covered back from **us**, if cover for non-approved centres is included in **your plan** during or at the end of **your policy year** by scanning **your** original receipts and submitting them through **our** online claims tool (Irish Life Health Online Claiming) in **your member** area on [www.irishlifehealth.ie](http://www.irishlifehealth.ie). **You** must submit **your** receipts within six months of the end of **your policy year**. If **your** receipts are not received within these six months, **your claim** will not be paid. **You** should keep **your** original receipts for **your** own records and in case **we** request them to be resubmitted.

\* **We** will only cover the costs of visits to practitioners who have appropriate qualifications and registrations. Please see **our** Directory of Allied Health Professionals, Alternative (Complementary) and Other Practitioners in section 11.1 of this Membership Handbook for details of the qualifications and registrations which each practitioner must hold.

\*\* The provider partners named under these **benefits** may change from time to time. Access to these **benefits** is subject to availability and the provider partners' terms and conditions of use. Our provider partners operate independently from **Irish Life Health** and **we** accept no liability for the provision of their services and are not liable for any point of sale or other discounts which may be offered by a provider partner. Provider partner **benefits** may change or cease during the **policy year** and such changes are outside of our control. While **we** aim for nationwide coverage with **our benefits**, a service may not be available in **your** locality. Please also note that **we** are not responsible for the content of the websites of these provider partners.

How to calculate your cover under your Day-to-day Benefits and Out-patient Benefits

The amount that can be **claimed** under these **benefits** is set out in **your** Table of Cover. It may be a set amount per visit or it may be a percentage of the cost of the visit up to a maximum amount per visit or per **policy year**. There may be a limit to the number of times in **your policy year** that **you** can **claim** a refund for a visit to a particular medical practitioner or for a particular service. In some cases the **benefit** is only available for a specific provider partner. Where this is the case, the provider partner will be named in the tables above. In addition, the number of refunds that **you** can **claim** for specified practitioners collectively may be limited (this is known as “combined visits”). Please note that there may be a limit on the total amount that **we** will pay for Day-to-day Benefits or Out-patient Benefits in a **policy year**. This limit will apply before the deduction of any applicable **policy excess**.

In addition, an **excess** may apply to the total amount **you claim** under **your** Day-to-day Benefits or Out-patient Benefits in **your policy year**. So for example, where an **excess** applies to the Out-patient Benefits under **your plan**, it applies to the total amount **you** are claiming for all **your** Out-patient Benefits in **your policy year**. When **you** submit **your** receipts to **us** **we** will calculate the total amount due to be refunded to **you** under all **your** Out-patient Benefits, subtract the **excess** and refund **you** the balance.

For example:

## 2.2 In-patient Benefits

In-patient Benefits typically cover the fees charged by **your** hospital, **treatment centre** and **health care provider** whilst **you** are admitted to a hospital or **treatment centre** covered under **your plan** as an **in-patient** or **day case** patient.

### Hospital costs

The fees charged by **your** hospital or **treatment centre** for **your** **medical care** whilst **you** are admitted are known as **hospital costs**. They include hospital accommodation costs, charges for the use of the operating theatres, charges for radiology and pathology, nursing charges, costs of prosthesis and charges for drugs administered for consumption whilst **you** are admitted. **You** can find the level of cover available for **your hospital costs** in a **public hospital**, **private hospital** and high-tech hospital in **your** Table of Cover (see section entitled “Hospital Cover”). **You** can check whether **your** hospital is public, private or high-tech in the tables of **medical facilities** in section 12 of this Membership Handbook. **Treatment centres** are classed as **private hospitals** in terms of **your** level of cover. Any **excess** or co-payment specified on **your** Table of Cover in respect of **private hospital** cover will not apply to **treatment centres** but any shortfalls specified will.

### Medical facilities covered under **your plan**

The **medical facilities** covered under **your plan** are shown in **your** List of Medical Facilities. There are four of these lists but only one will apply to **your plan**. **You** can see which one applies to **you** in **your** Table of Cover. The Lists of Medical Facilities are contained in the tables of **medical facilities** in section 12 of this Membership Handbook.

Where **you** are admitted to a **medical facility** covered under **your plan**, and where it is **medically necessary**, **your hospital costs** will be fully covered subject to any limitations specified in **your** Table of Cover, such as **excesses**, (subject to exceptions as outlined under **In-patient** or **Day Case excess** section below), shortfalls, co-payments, **private rooms** covered at semi-private rates, etc. Where necessary, **we** have agreements with **medical facilities** to ensure that this is the case. However, **medical facilities** are free to end their arrangement with **us** at any time so **we** cannot guarantee that this will continue to be the case for all the **medical facilities** covered under **your plan** throughout **your policy year**. Where this arrangement between **us** and a **medical facility** ends, the **medical facility** will no longer be covered by **us** and it will be removed from all the Lists of Medical Facilities. Similarly, where **we** enter into new arrangements with **medical facilities**, they will be added to one or more of the Lists of Medical Facilities. Such changes will affect **your plan** immediately. Up-to-date Lists of Medical Facilities are available on **our** website at [Irishlifehealth.ie](http://Irishlifehealth.ie). **We** recommend that **you** always check whether **your medical facility** is covered before being admitted by reviewing **your** List of Medical Facilities on **our** website or contacting **our** call centre on 01 562 5100.

### Medical facilities not covered on **your plan**

**We** will not cover **your hospital costs** in a **medical facility** which is not covered in **your** List of Medical Facilities.

**We** have made every effort to ensure that all health services that are listed in the **Minimum Benefit Regulations** (“Prescribed Health Services”) are available through at least one of the **medical facilities** covered in **your** List of Medical Facilities. In the unlikely event that a Prescribed Health Service is not available in one of those **medical facilities**, **we** will cover the Prescribed Health Service in a **medical facility** that is not covered in **your** List of Medical Facilities as if it was covered under **your plan** (i.e. to the level of cover available under **your** In-patient Benefits). However, **you** must notify **us** in advance that **you** wish to receive such medical services in a **medical facility** that is not covered under **your plan**. Please note that **we** will not cover **you** if **you** receive health services (other than **emergency care**), which are not listed in the **Minimum Benefit Regulations**, in a **medical facility** which is not covered under **your plan**.

**We** will cover **your stay** in a **public hospital** that is not covered under **your** List of Medical Facilities whilst **you** are receiving **emergency care**, provided the **public hospital** is listed on one of the Lists of Medical Facilities covered by **Irish Life Health**. **You** must have been admitted through the **accident** and emergency department. Any **follow on care** and/or **elective treatments** or **procedures** will only be covered in a **medical facility** which is covered under **your plan**. The only exception to this is if **our** **medical advisers** agree that **you** are not medically fit to travel, in which case **we** will cover **your hospital costs** in the same **public hospital** but this will need to be **pre-authorised** by **us**.

### How long are **your** hospital costs covered for?

**You** can **claim hospital costs** under **your** In-patient Benefits for a total of 180 days in a calendar year (the “Maximum Period”). This Maximum Period includes the number of days for which **you** can **claim hospital costs** or approved psychiatric home care programmes as a psychiatric patient. The number of days that **you** can **claim** as a psychiatric patient is shown in the psychiatric **treatment benefits** in **your** Table of Cover.

Please note that the Maximum Period includes any days for which **you** have already **claimed hospital costs** (including **hospital costs** or approved psychiatric home care programmes as a psychiatric patient) under another **plan** with **us** or with another health insurer in a calendar year.

### **Your health care provider's fees**

#### Consultants

**Your in-patient benefit** for **consultant's** fees covers the professional fees of **consultants** who are registered with **Irish Life Health**, where they provide **you** with the **treatments** and **procedures** listed in the Schedule of Benefits. **Your consultant's** fees will only be covered where **your procedure** or **treatment** is performed in a **medical facility** covered under **your plan**. However, there is a small number of **treatments** and **procedures** which will be covered when they are performed in **your consultant's** room. These are set out in the “non-hospital” section of the Schedule of Benefits.

#### Consultants registered with **Irish Life Health**

**We** will only cover **consultants** who are registered with **Irish Life Health**. Where **your consultant** is registered with **us**, the extent to which their professional fees are covered will depend on whether they have chosen to be a participating **consultant** or standard rate **consultant**.

- Participating **consultants**

Participating **consultants** have agreed to accept payment from **us** in full settlement of their fees for performing the **procedures** and **treatments** in the Schedule of Benefits. This means that if **your consultant** is a participating **consultant**, **you** will be fully covered for the **procedures** and **treatments** listed in the Schedule of Benefits provided the **consultant** is operating within the rules imposed by the HSE relating to his capacity to practice privately.

- **Standard rate consultants**

Standard rate **consultants** (or part participating **consultants**) have not agreed to accept payment from **us** in full settlement of their fees. Only a small portion of the fees of standard rate **consultants** will be covered for performing the **procedures** and **treatments** in the Schedule of Benefits. Therefore, if **your consultant** is a standard rate **consultant** **you** will have to pay a large portion of their fees yourself. **You** will not be able to **claim** this back from **us**.

### **Consultants not registered with Irish Life Health**

Where **your consultant** is not registered with **Irish Life Health** **we** will not cover their professional fees. The only exception to this is if **your consultant's** fees for performing **your treatment** or **procedure** are included in the **Minimum Benefit Regulations**. If they are, **you** can **claim** the amount set out in the **Minimum Benefit Regulations** back from **us** at the end of **your policy year**. It's important **you** know **your consultant's** fees are likely to be a lot more than the amount shown in the **Minimum Benefit Regulations**. If this happens, **you'll** have to pay the difference.

### **Dentists/Oral surgeons/Periodontists**

**Your in-patient benefit** for **consultant's** fees also covers a limited number of dental/oral **surgical procedures** where they are performed by a **dentist, oral surgeon or periodontist**. This excludes **dentist** visits and emergency dental care which are covered under **our** Day-to-day Benefits and Out-patient Benefits).

The dental/oral **surgical procedures** that are covered under **our** In-patient Benefits are listed in the "Periodontal/Oral/Dental Surgery Ground Rules" section of the Schedule of Benefits. These **procedures** will only be covered where they are performed by the specified type of **dental practitioner** (i.e. a **dentist, oral surgeon or periodontist**). Please note many dental/oral **surgical procedures** require **pre-authorisation**. **Your dentist/oral surgeon/periodontist's** fees will only be covered where **your** oral/dental **surgery** is performed in a **medical facility** covered under **your plan** or in **your dentist/oral surgeon/periodontist's** room.

As with **your consultant, your dentist, oral surgeon or periodontist** must be registered with **Irish Life Health**. If they are not registered with **us**, **you** will not be covered (subject to cover prescribed under the **Minimum Benefit Regulations**, if applicable). The extent to which **your oral surgeon/periodontist's** professional fees are covered will also depend on whether they have chosen to be a participating or a standard rate **oral surgeon/periodontist**. See the **consultant** section above for a full explanation on how **your oral health care provider's** status as participating or standard rate affects **your** cover. Please note that all **dentists** are classed as standard rate so **we** will only cover a limited portion of **your dentist's** fees for performing oral/dental **surgery**.

### **GPs**

**We** will cover **your GP's** fees for performing a limited number of

**treatments** and **procedures** in their surgery. Such **procedures** and **treatments** are covered under **your in-patient benefit** for **consultant's** fees. **Your GP's** fees for a routine visit will be covered under **our** Day-to-day Benefits or Out-patient Benefits. The **treatments** and **procedures** that will be covered under **your** In-patient Benefits are set out in the **GP** section. If **your treatment** or **procedure** is not listed in the **GP** section, **your GP's** fees will not be covered. As with **consultants** and dental professionals, **your GP** must be registered with **Irish Life Health** before they will be covered and the extent to which their fees are covered will depend on whether they are a participating **GP** or a standard rate **GP**. Please see previous sections for a full explanation on the effect of **your health care provider** not being registered with **Irish Life Health** and not participating with **Irish Life Health**.

## **Changes to the status of your health care provider**

**Health care providers** are free to alter their arrangement with **Irish Life Health** at any time. Therefore, by way of example, a participating **health care provider** may choose to become standard rate or to unregister with **us** at any time. Any changes to their status with **us** will affect how they are covered immediately. Therefore, the level to which their fees are covered may change throughout **your policy year**. **We** recommend that **you** always check whether **your health care provider** is registered with **Irish Life Health** and whether they are participating or standard rate before undergoing any **procedure** or **treatment** or being admitted to a **medical facility**. **You** can do this by visiting **our** website or contacting **our** call centre on 01 562 5100.

## **Maternity treatment**

In-patient Benefits do not apply where **you** are admitted to a **medical facility** for the delivery of **your** baby (except for caesarean section deliveries). Whilst **you** are admitted for the delivery of **your** baby, **you** are a maternity patient and **your** Maternity Benefits apply. The level of cover available to **you** for **your** maternity care is set out in **your** Maternity Benefits on **your** Table of Cover. Where **your** maternity care ends, but **you** remain admitted for any **medically necessary** reason, **your** In-patient Benefits will apply and **you** will receive the level of cover available under the In-patient Benefits on **your** Table of Cover.

## **Psychiatric treatment**

Where **you** are admitted to a psychiatric **medical facility** or a psychiatric unit in a **medical facility**, **your hospital costs** and **consultant's** fees will be covered under **your** In-patient Benefits at the level shown in the Hospital Cover section of **your** Table of Cover. **Your plan** will also include psychiatric **treatment benefits**. These **benefits** specify the maximum number of days for which **you** can **claim** **your** In-patient Benefits whilst **you** are a psychiatric patient for **medically necessary treatment**. If **you** are admitted to an approved psychiatric home care programme provided by a private psychiatric **medical facility**, the number of days **claimed** will be deducted from the maximum covered under **your** psychiatric **treatment benefits**.

## **How In-patient Benefits are claimed**

In most cases, **we'll** pay the amount for which **you** are covered under **your** In-patient Benefits directly to **your medical facility** and **health care providers**. They **claim** the amount for which **you** are covered from **Irish Life Health** on **your** behalf and **we**

pay this to them directly. This is known as **direct settlement**. Please note that only the amount for which **you** are covered will be directly settled with **your medical facility** and **health care provider**.

**Direct settlement** applies to all **claims** for professional fees for **health care providers** that are registered with **us**. We will not directly settle any **claims** for the amounts shown in the **Minimum Benefit Regulations** for **health care providers** that are not registered with **us**. Your List of Medical Facilities shows the **medical facilities** that **we** will pay through **direct settlement**. Whether **direct settlement** is available for a particular **medical facility** may change from time to time. **You** should always check the most up to date List of Medical Facilities before being admitted to any **medical facility** to see whether **direct settlement** applies or whether **you** will have to pay the **medical facility** and **claim** it back from **us**.

Where **direct settlement** applies, **your medical facility** or **health care provider** will submit **your claim** form to **us** on **your** behalf. It is important to remember that they are only making the **claim** on **your** behalf and that **you** are responsible for ensuring that all aspects of the **claim** are correct. If **your claim** form contains any inaccurate information, **we** may treat **your claim** as fraudulent, decline the **claim** and possibly cancel **your plan** or **policy** (see section 7 of this Membership Handbook for further information on **our fraud policy**). **You** will need to sign **your claim** form before **your medical facility** or **health care provider** submits it to **us**. **Your medical facility** and **health care providers** should always specify the **medical care** **you** received on **your claim** form before **you** are asked to sign it. **You** should check this information very carefully to ensure that it is accurate. By signing this form **you** are confirming that **you** have received the **medical care** specified in the form and that all information contained in **your claim** form is true and accurate. When **we've** paid **your claims**, **we'll** send **you** a statement confirming payment and outlining the amounts paid on **your** behalf.

Where **direct settlement** is not available, **you** will have to pay **your medical facility** and **your health care provider** yourself and **claim** the amount that is covered back from **us**. **You** will need to submit a **claim** form to **us** specifying the **medical care** **you** received which is signed by all relevant **health care providers** and **your medical facility** together with all **your** receipts. **Your medical facility** and **health care providers** will be able to provide these for **you**. The completed **claim** form and receipts should be sent to **our claims** team (see section 10 of this Membership Handbook).

### Please note we reserve the right to:

- > refuse payment in respect of In-patient Benefits where **you** stayed in a **medical facility** overnight but **our medical advisers** determine that **you** should have been a **day case**
- > refuse payment in respect of day-case **benefits** where **our medical advisers** have determined that **you** should have been an **out-patient**
- > only pay the amount that would have been covered, if **your treatment** or **procedure** had been carried out in the manner deemed appropriate by **our medical advisers** and only where **treatment** was **medically necessary**.

## Shortfall

In some cases **your benefit** may not cover all **your** medical costs and **you** will need to pay a proportion of such costs yourself. This is known as a shortfall. For instance, if **your hospital costs** are subject to 90% cover, **you** will be required to pay the remaining 10% yourself. **You** can see if a shortfall applies and if so, how much it is, in **your** Table of Cover.

## In-patient or day case excess

In some cases **you** may be required to pay an amount of **your** bill before **your** cover begins. This is known as an **excess**. **You** can see if **you** have an **excess** on **your** In-patient Benefits in **your** Table of Cover. **Excesses** on In-patient Benefits apply each time **you** are admitted to a **medical facility** subject only to the following exceptions:

- > where **you** are admitted as an **in-patient** or **day case** patient for the purpose of receiving chemotherapy, the **in-patient excess** will only apply once for each course of **treatment**. Where it has been more than 12 months since **your** last chemotherapy session, **your** course of **treatment** will be considered to have ended and the **excess** will apply again for any further course of **treatment**.
- > where **you** are admitted as a **day case** patient for the purpose of receiving psychiatric **treatment** in a **medical facility**, the **day case excess** will only apply once for each course of **treatment** provided all days relevant to that course of **treatment** are submitted as a single **claim**. Where it has been more than 3 months since **your** last admission, **your** course of **treatment** will be considered to have ended and the **excess** will apply again for any further course of **treatment**.
- > where **your** Table of Cover states that an **in-patient** or **day case excess** is only payable on a certain number of admissions.
- > **We** will not apply the **in-patient excess** where **you** are admitted as an **in-patient** or **day case** patient for the purpose of receiving radiotherapy **treatment**.
- > **We** will not apply the **in-patient excess** where **you** are admitted as an **in-patient** or **day case** patient in the **treatment centres** covered in **your** List of Medical Facilities.

## Co-payment for certain procedures

A co-payment is a large **excess** and is an amount that must be paid by **you**. **You** will need to make a co-payment for any of the orthopaedic **procedures** specified in the List of Orthopaedic Procedures Subject to Co-Payment, for any of the cardiac **procedures** specified in the List of Cardiac Procedures Subject to Co-Payment and/or for any of the ophthalmic procedures specified in the List of Ophthalmic Procedures Subject to Co-Payment where such orthopaedic, cardiac and/or ophthalmic **procedures** are carried out in a high-tech or **private hospital**. Co-payments may apply in addition to any other shortfall or **excess** on **your plan**. This will be displayed on **your** Table of Cover.

## Colorectal cancer screening

Please note that In-patient Benefits only cover the costs of colorectal cancer screening (colonoscopy, FIT or CT colon) where **you** have:

- > a family history of polyposis coli;

- > a family history of hereditary non polyposis coli;
- > a **first degree relative** diagnosed with colorectal cancer before the age of 60 years; or
- > two **first degree relatives** who have been diagnosed with colorectal cancer.

Where **you** satisfy the above criteria, **your** colorectal cancer screening will be covered under **your** In-patient Benefits once every five years from when:

- > **you** reach the age of 40 years; or
- > **you** reach an age which is 10 years younger than the age at which **your first degree relative** was first diagnosed with colorectal cancer.

### Listed cardiac procedures and listed special procedures benefits

In most cases these **benefits** provide enhanced cover for **your hospital costs** in a high-tech hospital when **you** are undergoing the **procedures** specified in the List of Cardiac Procedures or the List of Special Procedures. This is because the **excesses** that apply to these **benefits** are generally lower than those that apply to **your general hospital costs** in a high-tech hospital. **You** can see if these **benefits** are available under **your plan** in the high-tech hospital section of **your** In-patient Benefits on **your** Table of Cover.

## 2.3 Maternity Benefits

Maternity Benefits can be categorised as In-patient Maternity Benefits, Out-patient Maternity Benefits and Other Maternity Benefits, depending on how they are **claimed**. In-patient Maternity Benefits cover **your hospital costs** and some of **your consultant's** fees when **you** are admitted to a **medical facility** covered under **your plan** as a maternity patient for the delivery of **your** baby. The costs of **your** pre and post-natal care are not covered under **your** In-patient Maternity Benefits but may be covered under **your** Out-patient Benefits or Enhanced Protection & Maternity Personalised Packages.

| Public hospital cover for maternity  | <p>Under this <b>benefit</b> we will either:</p> <p>a) cover <b>your in-patient</b> hospital costs for 3 nights where <b>you</b> are admitted to a <b>public hospital</b> to give birth. (Please note that <b>you</b> will only be able to avail of a private room or <b>semi-private room</b> where <b>you</b> have opted to be treated privately or semi-privately by a <b>consultant</b> for <b>your</b> pre and post-natal care. The <b>consultant's</b> booking fee is not covered under this <b>benefit</b> but <b>you</b> may be able to <b>claim</b> back some of that fee under our “Out-patient maternity consultant fees” <b>benefit</b> or our pre/post-natal maternity costs <b>benefit</b> if these are available on <b>your plan</b>); or</p> <p>b) pay the contribution specified in <b>your</b> Table of Cover towards <b>your in-patient</b> hospital costs.</p> <p>The type of cover available to <b>you</b> will depend on <b>your plan</b> and is set out in <b>your</b> Table of Cover. This <b>benefit</b> is only available where <b>you</b> have been admitted to a <b>public hospital</b> covered on <b>your plan</b> to give birth. This <b>benefit</b> is only available for the first three nights of <b>your</b> hospital stay. Where it is <b>medically necessary</b> for <b>you</b> to remain in hospital for more than 3 nights, <b>your</b> fourth and subsequent night's stay will be covered under <b>your</b> In-patient Benefits so the level of cover available for a <b>public hospital</b> stay under <b>your in-patient</b> <b>benefits</b> will apply.</p> <p>It is important to note that the level of <b>in-patient</b> cover under <b>your in-patient</b> <b>benefits</b> and <b>your</b> maternity <b>benefits</b> may be different. For example, if <b>you</b> have cover for a <b>private room</b> under <b>your</b> maternity <b>benefits</b> but a <b>semi-private room</b> under <b>your in-patient</b> <b>benefits</b>, <b>you</b> will only be covered for a <b>semi-private room</b> for <b>your</b> fourth and subsequent night's stay. In this case <b>you</b> should ask to be moved to a <b>semi-private room</b> after <b>your</b> third night or <b>you</b> will have to pay the balance. Please note that caesarean section deliveries are covered under <b>your</b> In-patient Benefits and not under this <b>benefit</b>.</p> |

## How to claim

If **you** wish to **claim** this **benefit** **you** must have **your** procedure(s) **pre-authorised** by **us**. To obtain **pre-authorisation** **you** will need to complete the **Irish Life Health** Gender Affirmation Procedures **Pre-authorisation** Form which is available on **our** website. Part of the **Irish Life Health** Gender Affirmation Procedures **Pre-authorisation** Form must be completed by **your** Medical Council of **Ireland** registered **consultant**. **You** may also be required to provide **us** with additional information including a detailed medical report from **your consultant** in **Ireland** and/or **your** treating **consultant** abroad. We will assess **your pre-authorisation** request within 15 working days and confirm the amount for which **you** are covered.

**You** will need to pay **your medical facility** and **health care providers** directly for **your** medical care. **You** can then **claim** the amount we have **pre-authorised** back from **us** by submitting **your** original receipts to **us** in an envelope and **your** name, address and **membership number** (see section 10 for details of where to send **your** receipts). Unfortunately, we are unable to return **your** original receipts to **you**, so we suggest that **you** keep a copy of **your** receipts for **your** records. **You** must submit **your** original receipts within three years of the date of the procedure(s). If **your** receipts are not received within this three year period, **your claim** will not be paid.

## 2.5 Personalised Packages

As well as the core **benefits** that **we** provide, with **Irish Life Health** **you** can further tailor **your** health insurance to suit **your** personal needs by opting for one or more additional packages of **benefits** from our range of Personalised Packages. **We** have five ranges of Personalised Packages. Which Personalised Packages **you** can choose from will depend on what **plan** **you** have.

The Personalised Packages that **you** have chosen are set out in **your** Table of Cover which also shows the level of cover available under each **benefit** within **your** chosen package. Where contributions are listed as a single amount, they are claimable once per **policy year** unless otherwise stated.

### How to claim your personalised packages benefits

When it comes to claiming the **benefits** that are contained within **your** Personalised Packages, there are three possible ways to make **your claim**:

#### 1. Direct settlement

**We** will pay the person or organisation in question directly on **your** behalf. **You** may need to fill in a form when receiving the **treatment** or service. In some cases these **benefits** are only available for specific provider partners. Where this is the case the provider partner is named in the tables below.

#### 2. Pay and claim

**You** will need to pay the person or organisation in question yourself. **You** can then **claim** the amount that is covered back from **us** (up to the amount that **you** have paid for the goods or services). The maximum amount that can be **claimed** under each of these **benefits** is set out in **your** Table of Cover. It may be a set amount per visit or per **policy year**. There may also be a limit to the number of times in **your policy year** that **you** can **claim** a contribution under these **benefits** and where this is the case it is set out in **your** Table of Cover. In some cases the **benefit** is only available for a specific provider partner. Where this is the case, the provider partner is named in the tables below.

**You** can **claim** the amount that is covered back from **us** during **your policy year** by scanning **your** original receipts and submitting them through **our** online **claims** tool (**Irish Life Health** Online Claiming) in **your member** area on [www.irishlifehealth.ie](http://www.irishlifehealth.ie). **You** must submit **your** receipts within six months of the end of **your policy year**. If **your** receipts are not received within these six months, **your claim** will not be paid.

You should keep **your** original receipts for **your** own records and in case **we** request them to be resubmitted.

Please ensure that all receipts state:

- > The amount paid;
- > The full name of the **member** receiving **treatment** and their date of birth;
- > The date the **treatment** was received;
- > The type of practitioner that **you** attended;
- > The name, address and qualifications of the practitioner providing the care on the practitioner's headed paper.

### 3. Point of Sale Discounts

You can **claim** a discount directly from the provider partner named in the **benefit** when **you** are paying for the services. The discount that is available for each **benefit** is set out in **your** Table of Cover and may be capped at a certain amount. **You** will need to provide the provider partner with **your Irish Life Health membership number** at the time of purchasing or booking the products or service to avail of these discounts. These discounts may not be available in conjunction with other promotions offered by the provider partner.

The details of how to **claim** each of these **benefits** are shown in the tables below.

| <p>We must <b>authorise</b> and arrange <b>your in-patient emergency care</b>. <b>You</b> must call <b>our</b> International Emergency Assistance Service on 00353 148 17840 before <b>you</b> are discharged from the <b>medical facility</b> where <b>you</b> received <b>your</b> emergency <b>medical care</b>. <b>You</b> will need to provide <b>us</b> with details of <b>your</b> travel insurance and <b>your</b> European Health Insurance Card. If <b>you</b> are unable to call <b>our</b> International Emergency Assistance Service yourself, a third party may do so on <b>your</b> behalf. In most cases, where <b>we</b> have <b>authorised</b> and arranged <b>your emergency care</b> in advance, <b>we</b> will pay the <b>medical facility</b> and <b>health care providers</b> directly (by <b>direct settlement</b>). However, some <b>medical facilities</b> and <b>health care providers</b> abroad may not accept payment from <b>us</b> by <b>direct settlement</b>. Where this occurs, <b>you</b> will need to pay the <b>medical facility</b> and <b>health care providers</b> yourself and <b>claim</b> the amount covered under this <b>benefit</b> back from <b>us</b>. <b>You</b> will need to submit <b>your</b> original receipts to <b>us</b> to do so. <b>You</b> should send all receipts to <b>us</b> in an envelope with <b>your</b> name, address and <b>membership number</b> (see section 10 of this Membership Handbook). Unfortunately, <b>we</b> are unable to return <b>your</b> original receipts to <b>you</b>, so <b>we</b> suggest that <b>you</b> keep a copy of <b>your</b> receipts for <b>your</b> records.</p> |

Evidence of why **your** journey is essential will be required. Details of what we constitute essential travel to be as well as the evidence **you** need to provide is detailed below.

If **you** have decided to travel despite the Department of Foreign Affairs advising to avoid non-essential travel to that country, **you** must call **our** Customer Care Team on 01 562 5100 in advance of travelling to ascertain whether **we** consider **your** travel to be essential. The application of the above rules and acceptance of the evidence provided will be at **our** discretion and **our** decision will be final.

## 4 Your Policy

### Joining Irish Life Health

Your **plan/policy** lasts for one year which means that **your policy/plan** will run until the **renewal date** shown on **your policy** documentation unless cancelled by the **policyholder** or by **us** for the reasons outlined in this Membership Handbook. As soon as **we** receive **your** first premium, **you** will be covered from **your** chosen commencement date subject to the terms and conditions of **your policy**. When **you've** joined, **you** will have access to the secure **member** area of **our** website where **you** can make changes to **your** cover and to **your** personal details. **We** may contact **you** by post, email, phone, SMS and through **your** Irish Life Health secure **member** area. Please note that if **you** are a **group scheme member** **you** may not be able to make changes to **your plan** via the secure **member** area of **our** website. Please see section 8 for further details on **group schemes**.

**You** may add **your newborn** to **your policy** from their date of birth and no additional **premium** will be charged for their cover up to the first renewal date after their birth. If **you** add **your newborn** in the **policy year** following their birth, a premium will be payable. The **newborn** must be added within 13 weeks of the date of his/her birth or waiting periods will apply.

### Changing your policy

The **policyholder** can make changes to their **policy** or any of the **plans** listed on their **policy** at any time by logging onto the membership area on **our** website ([www.irishlifehealth.ie/secure/ie/login](http://www.irishlifehealth.ie/secure/ie/login)) or by contacting **us** (or their broker) directly. Changes can affect the premium that is payable. If a change is made to the **policy**, **we** will issue new **policy** documents to the **policyholder** as soon as the change is completed. Please be aware that an upgrade waiting period may apply where there is an upgrade in cover (please see section 6 for further details on upgrade waiting periods). **We** cannot take instructions to make changes to the **policy** or any of the **plans** listed on the **policy** from a **member** or individual who is not the **policyholder**. However, the **policyholder** can nominate a person to act on their behalf to discuss the **policy**, administer the **policy** and / or discuss **claims**. If **you** wish to nominate someone, please log on to **your membership** portal where **you** can capture **policy** permissions. Alternatively, **you** can call or write to **us** and let **us** know if **you** want to nominate a person to act on **your** behalf for some or all of the above permissions.

Where a **plan** is altered prior to the end of the **policy year**, the Day-to-day Benefits, Out-patient Benefits and Personalised Packages Benefits will be applied on a **pro-rata** basis.

### Renewing your plan

To renew **your** membership:

- > If **you** pay in monthly installments by direct debit, simply continue to make **your** direct debit payments. **We** will automatically renew **your policy**.
- > If **you** pay **your** annual premium in advance by credit card, please contact **us** to arrange payment and renew **your policy** (see section 10 of this Membership Handbook for **our** contact details).

Where **your** premium is collected by monthly direct debit via **your** broker, **your** monthly direct debit will automatically roll over at **your** next **renewal date**. If **you** wish to amend this, change **your** bank details, or change **your** method of payment to an annual payment, please contact **your** broker directly.

### Cancelling your policy

**Your policy** or any of the **plans** listed on **your policy** may be cancelled before the end of **your policy year** for one of three reasons:

#### 1) **You no longer want health insurance with Irish Life Health**

The **policyholder** can choose to cancel the **policy** or any of the **plans** listed on the **policy** at any time. To do this, they just need to call **our** customer services team or let **us** know in writing. **We** will refund any amount due on cancellation to the **policyholder**. In the case of a **policyholder** who has passed away, **we** will issue a refund by cheque to the deceased's estate. If **we're** asked to remove a **member** from the **policy**, **we** reserve the right to tell them that they are no longer covered, however, please note that it is not **our** **policy** to do so. It is the **policyholder's** responsibility to inform the **members** on their **policy** of any changes that affect their cover.

#### 2) **Premiums are not kept up to date**

**We** will cancel the **policy** or any of the **plans** listed on **your policy** if **you** do not pay **your** premium when it falls due. **We** will cancel the **policy** or any of the **plans** listed on the **policy** from the date that **your** premiums were paid up to (the Cancellation Date). **We** will not pay any **claims** for goods or services received after the Cancellation Date. **We** will send **you** a letter or email giving **you** 14 days' notice of **our** intention to cancel. **We** will send this to the last postal or email address **you** provided.

#### 3) **Incorrect information / fraud**

**We** may cancel the **policy** or any of the **plans** on the **policy** if

- > **we** are provided with incorrect information about any of the **members** named on the **policy**; or
- > if any of the **members** named on **your policy** try to or make a fraudulent **claim**.

### Consequences of cancellation

Once a **plan** is cancelled, the **member** will no longer be covered. **We** will not pay any **claims** for goods or services received after the Cancellation Date. **We** will be entitled to recover any **claim** amount paid for **in-patient** care or goods or services received after the Cancellation Date. The Out-patient Benefits, Day-to-day Benefits and Personalised Packages Benefits will be allocated

on a **pro-rata** basis. (e.g. where the **GP** visits **benefit** covers a contribution of up to €30 for up to 8 visits and the **plan** is cancelled after 6 months, the number of visits for which the **member** can **claim** will be reduced to 4). The yearly **excess** applicable to those **benefits** will not be reduced on a **pro-rata** basis.

If a fully paid **policy** or **plan** is cancelled before the end of the **policy year**, we will reimburse the **policyholder** for the cover the **member(s)** have not received – i.e. from the Cancellation Date until the next **renewal date**. Please note we will apply a mid-term cancellation charge (you can find more information about this charge in the paragraph below). We will not return the amount of premium for any cover received before the date of cancellation. If we cancel a fully paid **policy** or **plan** before the end of the **policy year** due to the submission of a fraudulent or dishonest **claim**, we will not refund any of the premium that has already been paid.

### Mid-term cancellation charge

We will apply a mid-term cancellation charge if:

- > you choose to cancel **your policy** or any of the **plans** listed in **your policy** before the end of **your policy year**;
- > we are forced to cancel **your policy** or any of the **plans** listed in **your policy** due to non-payment of premium, because you or any of the **members** on the **policy** try to **claim** when you're/they're not entitled to or because you have provided us with incorrect information.

The mid-term cancellation charge is made up as follows:

- > An administration fee of €25;
- > The portion of the **government levy** which has not yet been paid by you. The **government levy** is a stamp duty which is payable on health insurance **plans**. A full explanation of the **government levy** is contained in the Definitions section of this Membership Handbook.

We reserve the right to deduct the amount for the mid-term cancellation charge against any amount due to be refunded. In all other cases we will send you an invoice in respect of the mid-term cancellation charge. A mid-term cancellation charge also applies to policies paid by direct debit.

### Cooling Off

You can cancel **your policy** free of charge within 14 working days from the date the **policy** was entered into or from the date you are given the **policy** documentation, whichever is the later. This is known as the cooling off period. We'll give you a full refund of premium unless you or any **member** has made a **claim** during this period. If a **claim** has been made and you wish to cancel **your policy** from the start date, the cost of any **out-patient claim** will be deducted from the refund due and you will be liable for any charge relating to **in-patient** care. Should you wish to cancel **your policy** with effect from a date later than the start date, we will charge you for providing health insurance cover up to the date of cancellation and we will apply a mid-term cancellation charge in this case.

### Paying your premiums

All premiums must be paid in euro. We have a number of payment options which are outlined below.

You can pay **your** premium monthly by direct debit or annually, in full, by debit or credit card only. We do not accept payment by cheque.

If you have chosen to pay by direct debit, we will collect **your** premium on a monthly basis and it's up to you to make sure **your** monthly payments are available for collection. The first payment in any **policy year** may be more or less than **your** monthly premium if **your policy** start date is different to **your** chosen direct debit collection date. This may also occur if you decide to change **your** direct debit collection date mid **policy year**.

Where **your** premium is collected by **your** broker, **your** monthly direct debit will automatically roll over at **your** next **renewal date**. If you wish to change **your** bank details or change to an annual payment, please contact **your** broker directly.

In the event that **your claim** is successful and **you** receive a monetary settlement, **you** will need to send **us** a refund for any **claims** already paid by **Irish Life Health**. In the event that only part of the **claims** submitted by **you** are recovered, **we** will require written confirmation of this from **your** solicitor (to include any advices from Counsel). If there is only partial recovery of the **claims** paid by **Irish Life Health** in the course of legal proceedings, **you** will need to send **us** a refund for the partial amount recovered. In the event that **your claim** is not successful or withdrawn, **we** will not seek reimbursement from **you** once **we** receive written confirmation of this from **your** solicitor (to include any advices from Counsel);

- > Where **you** (or any other person for whom **you** are seeking health insurance) hold any form of health insurance with another company **you** must let **us** know at the inception of **your policy**. Where the costs of the goods or services which are covered under **your plan** with **Irish Life Health** are also insured by another insurer, such costs will be allocated between **us** and **your** other insurer on a **pro-rata** basis when **you** make a **claim**;
- > Where **you** hold more than one **Irish Life Health** policy, **we** will check across these policies held with **Irish Life Health** to ensure **benefits** have not been **claimed** for more than once;
- > **You** will be covered under the **benefits** available in the **plan** **you** hold on the date **your medical care** (or other service) commences or on the date **you** receive goods, subject to any waiting periods that may apply. If **you** reduce the level of cover on **your plan**, this lower level of cover becomes effective immediately;

- > **We** will not return the original receipts **you** send **us** as part of **your claim**, however, **we** may return other original documents **you** submit to **us** provided **you** let **us** know **you** require **us** to return them to **you** at the time **you** submit them to **us**;
- > **We** will not pay **your claim** where **you** have failed to comply with any of the terms of **our** contractual documents;
- > **We** have absolute discretion whether or not to exercise **our** legal rights. Failure to exercise **our** legal rights shall not prevent **us** from doing so in the future;
- > **Irish Life Health** and our agents reserve the right to review any information which relates to the **medical care**, goods or services that **you** are **claiming** for (including your medical records) where **we** are of the opinion that access to such information is required to process **your claim**, detect or prevent fraud and to make you aware of services that may be relevant to **you**. **You** must provide **your medical facility** and **health care providers** with any consents which they require to allow them to release such information to **Irish Life Health** and **our** agents. **We** will not pay **your claim** where **we** are unable to gain access to any information which **we** believe is necessary to enable **us** to process the **claim** or detect fraud;

- > **We** carry out Clinical Audits to understand the appropriate use of resources, the resulting outcome and quality of life for patients. Depending on the **claim** type we may request information from **your GP, consultant**, hospital or other medical provider regarding any **treatment** provided to **you** or other **members** of the **policy** for the purpose of a clinical audit. Data minimisation is practiced at every stage of the Audit and **we** will only request the medical information directly related to **claim** or **treatment**;

- > In the event that **Irish Life Health** disagrees with the classification of a **member** as a public or a private patient by a **medical facility** or a **health care provider**, **our** decision shall prevail and be final.
- > Any dispute between **you** and **us** (about **our** liability over a **claim** or the amount to be paid, where the amount of the **claim** is €5,000 or more) must be referred (within 12 months of the dispute arising) to an arbitrator appointed jointly by **you** and **us**. If **we** cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. **We** may not refer the dispute to arbitration without **your** consent where the amount of the **claim** is less than €5,000. If **you** do not refer such a dispute to arbitration within 12 months, **we** will treat the **claim** as abandoned.

## 6 Waiting periods

### Waiting periods

A waiting period is the amount of time that must pass before **you** will be covered under **your plan** or before **you** will be covered to the level of cover available under **your plan**. Please note that previous foreign health insurance coverage is not taken into account for waiting periods. There are a number of different types of waiting periods:

- > Initial waiting periods
- > **Pre-existing condition** waiting periods
- > Upgrade waiting periods

### Initial waiting periods

Initial waiting periods apply when **you** take out health insurance for the first time or when **you** take out health insurance after **your** health insurance has lapsed for more than 13 weeks. **You** will not be covered during **your** initial waiting period.

Initial waiting periods do not apply in the following circumstances:

- > To **claims** made in respect of children who have been added to **your policy** within 13 weeks of the date of their birth
- > To **claims** made in respect of adopted children who have been added to **your policy** within 13 weeks of the date of their adoption
- > To **claims** in respect of **medically necessary treatment** provided as a result of an **accident** or **injury** which occurred while that person was named as an insured person.

The table below sets out the initial waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** took out health insurance with **Irish Life Health** or another insurer for the first time, or, from the date **you** took out health insurance with **Irish Life Health** or another insurer after **your** health insurance had lapsed for more than 13 weeks.

Pre-existing condition waiting periods

Where **you** make a **claim** which relates to a **pre-existing condition**, a **pre-existing condition** waiting period will apply. A **pre-existing condition** is an ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the six months before **you** took out health insurance for the first time or before **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.

**You** will not be covered for a **pre-existing condition** during **your pre-existing condition** waiting period. **Our medical advisers** will decide whether **your claim** relates to a **pre-existing condition**. Their decision is final.

**Pre-existing condition** waiting periods do not apply in the following circumstances:

- > To **claims** made in respect of children who have been added to **your policy** within 13 weeks of the date of their birth
- > To **claims** made in respect of adopted children who have been added to **your policy** within 13 weeks of the date of their adoption.

The following table sets out the **pre-existing condition** waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** took out health insurance for the first time (with **Irish Life Health** or another insurer), or from the date **you** took out health insurance (with **Irish Life Health** or another insurer) after **your** health insurance had lapsed for more than 13 weeks.

Upgrade waiting periods

An upgrade waiting period will apply when **you** upgrade **your** cover (i.e. **you** purchase a **plan** with higher cover or additional **benefits** compared to **your** previous **plan**).

This may happen if **you** change **your plan** with **us** or when coming to Irish Life Health from another health insurer. **We** will apply an upgrade waiting period to **claims** where **your treatment** relates to a **pre-existing condition**. Where an upgrade waiting period applies, **we** will cover **you** up to the level that was available under the benefit that **you** are claiming of **your** previous **plan**. Where the **benefit you** are claiming was not available on **your** previous **plan**, **you** will not be covered.

A **pre-existing condition** is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- > **you** took out health insurance for the first time
- > or **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.
- > or **you** upgraded **your** cover to a **plan** with higher cover for one or more **benefits**.

In these circumstances, **you** will be covered up to the level of cover that was available on the **plan** that **you** previously held before upgrading **your** cover. Please see the Upgrade Waiting Period table below for the details of upgrade waiting periods by benefit type. **Our medical advisers** will determine when **your** ailment, illness or condition commenced. Their decision is final.

The table below sets out the upgrade waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** upgraded.

7 Fraud Policy

**We** operate a fraud **policy** in respect of all **claims** made by **you** or on **your** behalf. **We** do regular audits of all **claims** across **Irish Life Health policies** held by **you** as **you** may not gain financially from a contract of insurance. In all instances where fraud is suspected, **we** will carry out a full and comprehensive investigation. If a **claim** submitted by **you** or on **your** behalf is found to be fraudulent or dishonest in any way, the **claim** will be declined in its entirety, **benefits** under the **policy** will be forfeited and the **policy** and/or any **plans** listed on the **policy** may be cancelled and **we** may refuse any new policies for **you**. **We** reserve the right to refer the matter and details of the fraudulent **claim** to the appropriate authorities for prosecution.

8 Group Schemes

If **your plan** was started as part of a **group scheme** arrangement and the **group scheme sponsor** is acting on **your** behalf, **you** agree that the **group scheme sponsor** will have the following powers and responsibilities for the **policy**:

- > The **group scheme sponsor** may instruct **us** to start and cancel the **policy**;
- > The **group scheme sponsor** may instruct **us** to change **your plan** or level of cover;
- > The **group scheme sponsor** may instruct **us** to add or reduce the number of **members** on the **policy**;
- > The **group scheme sponsor** may amend or cancel any or all of the **plans** listed under the **policy**;
- > The **group scheme sponsor** must ensure that all premiums are paid on time as unpaid premiums may impact whether **claims** are paid;
- > The **group scheme sponsor** must ensure that all adequate consents from **members** are obtained prior to the **policy** entering into force, including consents from **members** for the processing of their personal data.

Members who are part of a **group scheme** arrangement may require the permission of the **group scheme sponsor** to amend their cover. In such circumstances, the **members** may be required to pay additional premium for such amended cover. If **you** join a **group scheme** after the scheme start or **renewal date**, **your benefit** entitlement may be adjusted on a **pro-rata** basis.

If **your policy** was arranged through a **group scheme sponsor**, **your** cover will continue as long as **you** fulfil the conditions for participation in the **group scheme** and the **group scheme sponsor** continues to pay **your** premium.

## 9 Premium Changes

We may change the premium payable for **our plans** from time to time. These changes will not affect **you** until **your next renewal date** unless **you** change **your plan** during **your policy year**. Please note that **we** deduct **your tax relief** from **your** premium so **you** don't have to **claim** it back from the Revenue Commissioners. The level of **tax relief** is set by the Government and may be changed at any time which is outside **our** control. **We** are legally obliged to apply tax changes immediately and this may result in a change to the amount that **you** are required to pay to **us** for the **plans** listed in **your policy**.
