## 2 Introduction

The Irish Life Health application is designed to enable Scheme Administrator to manage their schemes. The functionality includes giving you – as an Irish Life Health Scheme Administrator – the ability to:

- Purchase new policies and add members to your schemes;
- View your member listings, activities and financial statements;
- View your members' policy details and some of your members' documents;
- View your members' policy premium details;
- View your members' policy activity history;
- Edit some of your members' policy details;
- Change your members' cover; and
- Manage your own Irish Life Health Live user access.

The Irish Life Health Live application is a software application that enables you to service your members and manage your policies. Learning to use it is easy, but it assumes that you are familiar with the health insurance regulatory framework governing private health insurance in the Republic of Ireland.

This user guide presents an overview of the application's features and gives step-by-step instructions for completing a variety of tasks.

Login

- 3.4** When logged in you will be prompted to complete the setup of a two-factor authenticator.  
This is a one time setup process.
- If you already have an authenticator you can proceed to the next step.
  - If you don't have an authenticator, follow steps to download.

- 3.5** For the purpose of this guide we progress with a mobile device, Google Authenticator setup

### 3.6 Download the authenticator on your mobile device.

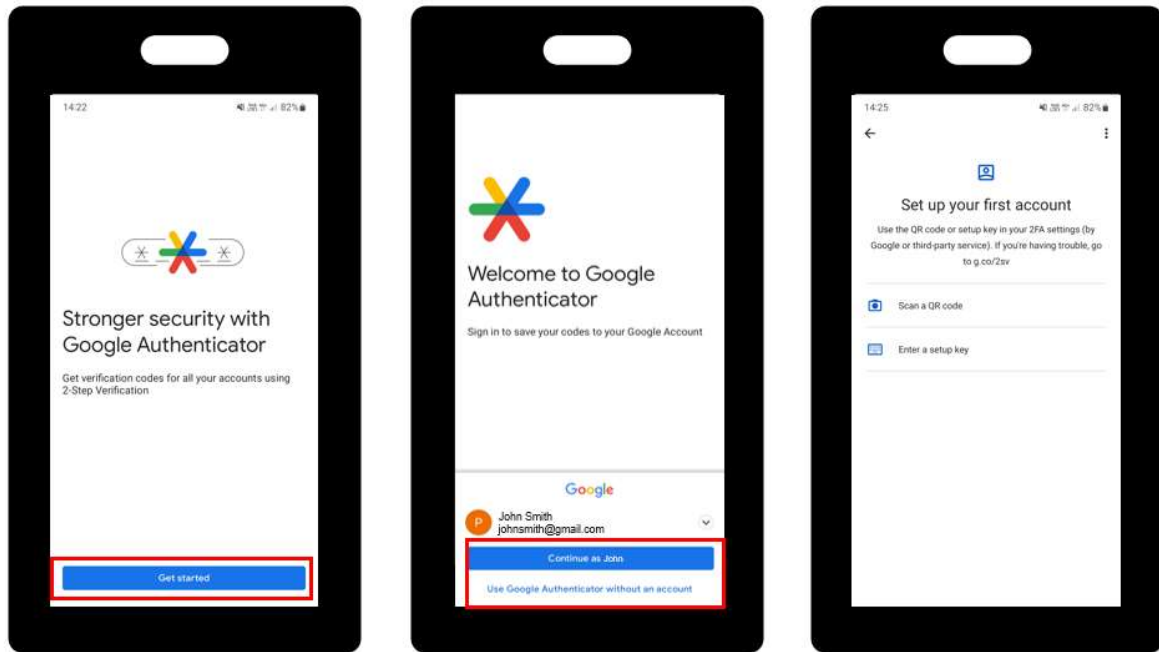

### 3.7 Open the app store on your mobile device, search for “Google Authenticator” and Install.

### 3.8 Download the authenticator on your mobile device.

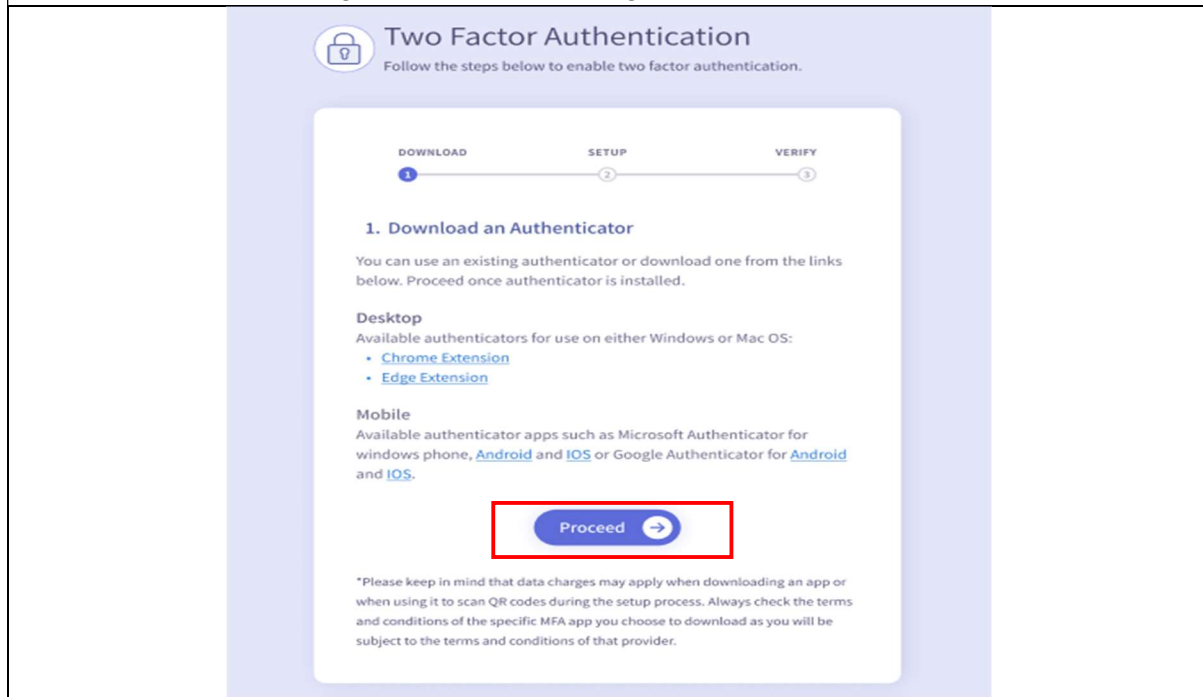

Open the app and select “Get started”.

Next login with an either:

1. An existing Google account, or
2. “Use Google Authenticator without an account”

**3.9** Success. You have downloaded the authenticator to mobile.  
Click “Proceed” to progress to the Setup stage.

The image shows a 'Two Factor Authentication' setup screen. At the top, there is a lock icon and the title 'Two Factor Authentication' with the instruction 'Follow the steps below to enable two factor authentication.' Below this is a progress bar with three steps: 'DOWNLOAD' (1), 'SETUP' (2), and 'VERIFY' (3). The first step, 'DOWNLOAD', is currently active. Under this step, the heading '1. Download an Authenticator' is followed by the text: 'You can use an existing authenticator or download one from the links below. Proceed once authenticator is installed.' There are two sections: 'Desktop' and 'Mobile'. The 'Desktop' section lists 'Available authenticators for use on either Windows or Mac OS:' with links for 'Chrome Extension' and 'Edge Extension'. The 'Mobile' section lists 'Available authenticator apps such as Microsoft Authenticator for windows phone, Android and IOS or Google Authenticator for Android and IOS.' At the bottom of the main content area, there is a blue button with the text 'Proceed' and a right-pointing arrow, which is highlighted by a red rectangular box. Below the button, there is a small disclaimer: '\*Please keep in mind that data charges may apply when downloading an app or when using it to scan QR codes during the setup process. Always check the terms and conditions of the specific MFA app you choose to download as you will be subject to the terms and conditions of that provider.'

**Two Factor Authentication**  
Follow the steps below to enable two factor authentication.

DOWNLOAD SETUP VERIFY  
1 2 3

**1. Download an Authenticator**

You can use an existing authenticator or download one from the links below. Proceed once authenticator is installed.

**Desktop**  
Available authenticators for use on either Windows or Mac OS:

- [Chrome Extension](#)
- [Edge Extension](#)

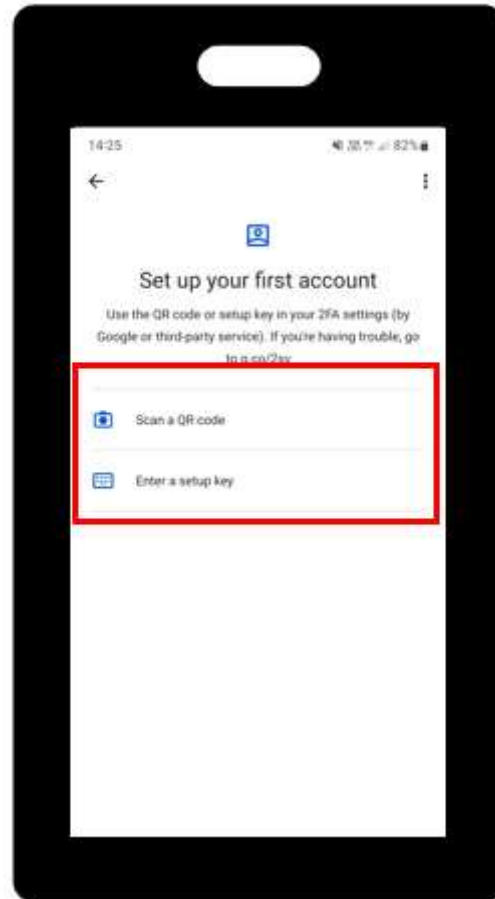

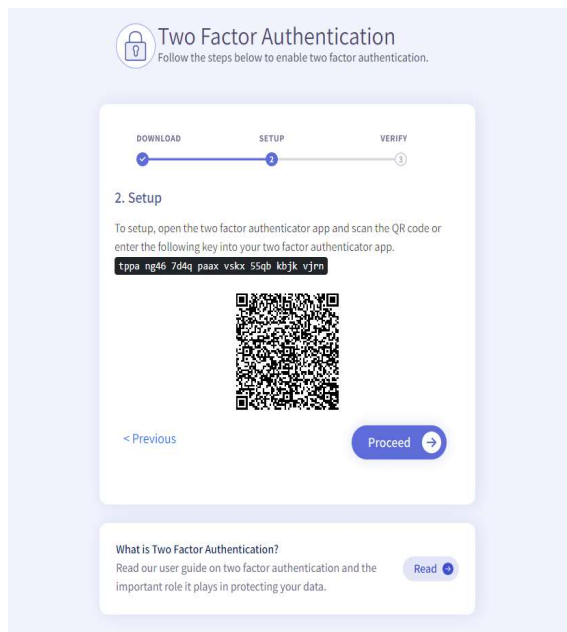

**Mobile**  
Available authenticator apps such as Microsoft Authenticator for windows phone, [Android](#) and [IOS](#) or Google Authenticator for [Android](#) and [IOS](#).

**Proceed** →

\*Please keep in mind that data charges may apply when downloading an app or when using it to scan QR codes during the setup process. Always check the terms and conditions of the specific MFA app you choose to download as you will be subject to the terms and conditions of that provider.

**3.10** You can setup the authenticator by:

1. Scanning the QR code, or
2. Manually entering the 32-digit secret key

### 3.11 QR Code Option.

Select “Scan a QR code” and give the app the appropriate permissions to use the camera. Use your mobile device to scan the QR code on the portal Two Factor Authentication setup screen.

### 3.12 Setup the authenticator [Manual Option]

Select "Enter a setup key" option

Enter the account details requested and click Add.

- **Account Name:** "Irish Life Health Live"

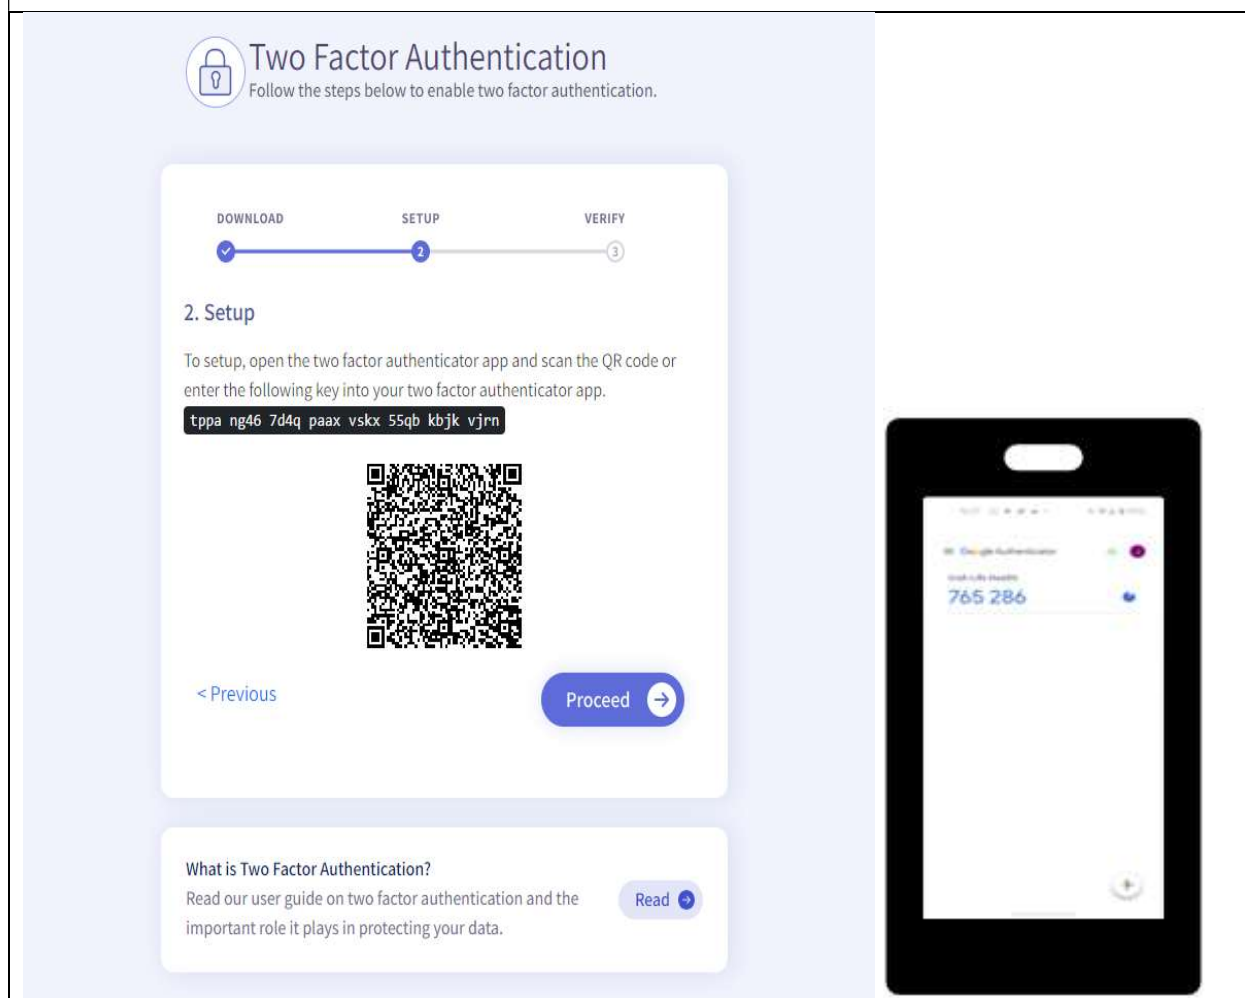

- **Your Key:** Enter the 32-digit secret key from the setup page

- **Type of Key:** Time based

### 3.13 Success. You have setup the authenticator.

The authenticator will immediately show a 6-digit code which will refresh periodically. Click “Proceed” to move to the Verify screen.

**3.14** Enter the 6-digit authentication code into the verification code box on the Verify screen and select “Submit”.

If there is an error:

1. Retry, confirming the correct digits are input, which match the code on the authenticator at the time of submission.
2. Go to the previous page and re setup the authenticator.

The image shows a 'Two Factor Authentication' setup screen on the left and a mobile authenticator app interface on the right.

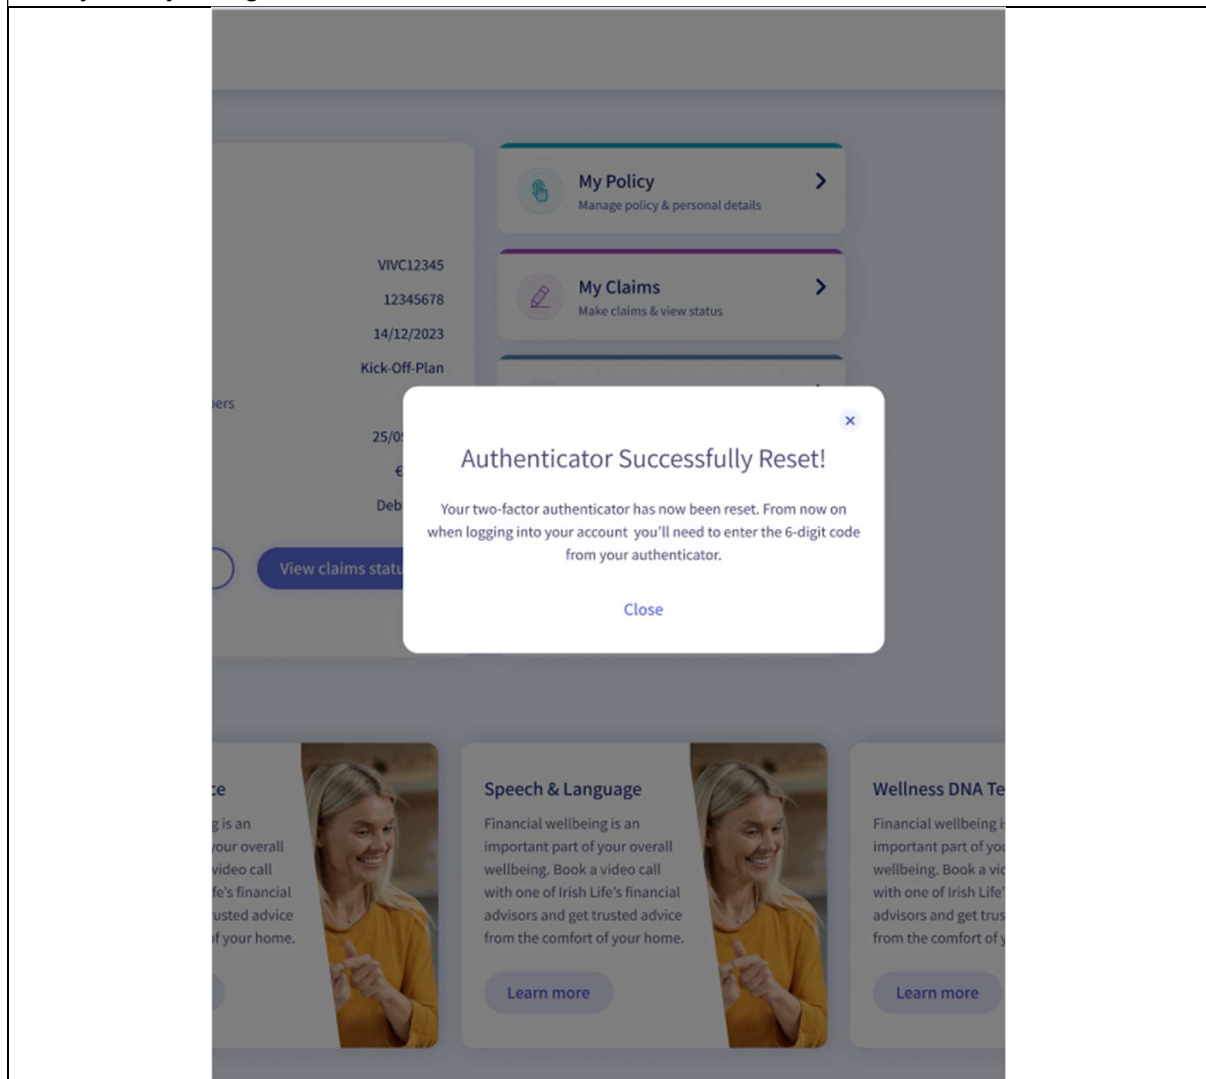

**Two Factor Authentication Setup Screen:**

- Header:** A padlock icon with a checkmark inside, followed by the title 'Two Factor Authentication' and the subtitle 'Follow the steps below to enable two factor authentication.'
- Progress Bar:** A horizontal line with three steps: 'DOWNLOAD' (checked), 'SETUP' (checked), and 'VERIFY' (active, indicated by a blue circle with the number 3).
- Section 3. Verify:**
  - Text: 'Once setup is complete, your two factor authenticator app will provide you with a unique code. Enter the code in the confirmation box below.'
  - Verification Code:** A text input field containing '765286'.
  - Navigation:** '< Previous' link and a blue 'Submit' button.
- Footer:** A section titled 'What is Two Factor Authentication?' with the text 'Read our user guide on two factor authentication and the important role it plays in protecting your data.' and a 'Read' button with a right arrow.

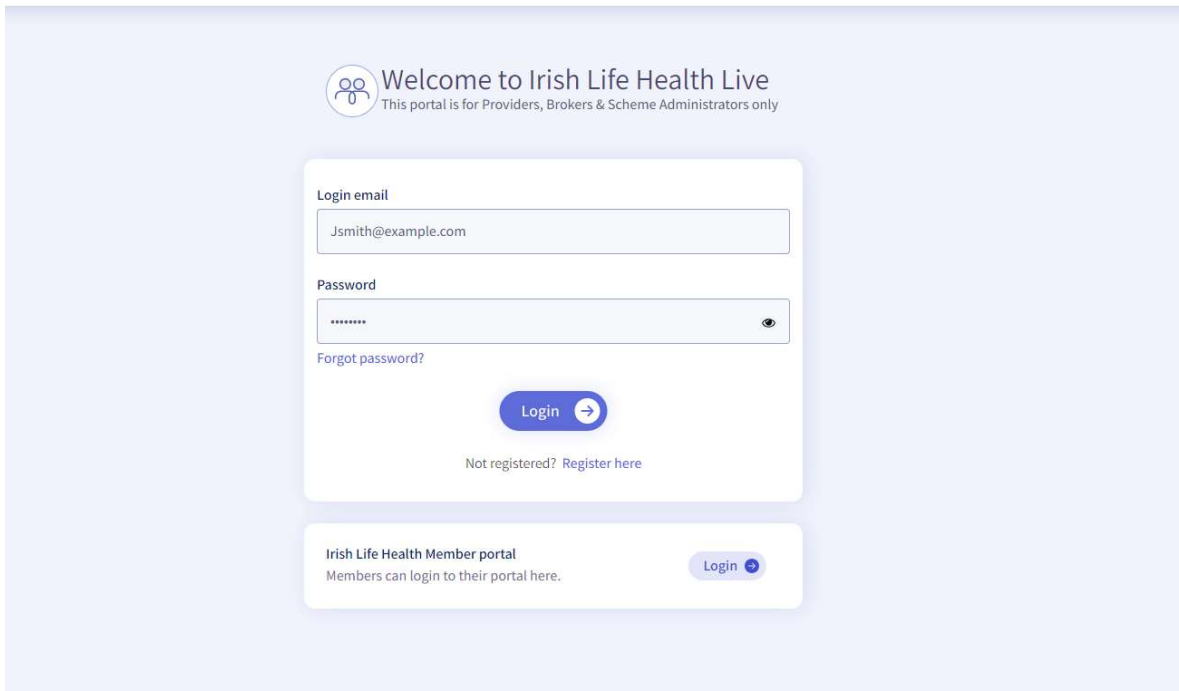

**Authenticator App Interface (Right):**

- Header:** 'Authenticator' title with settings and edit icons.
- Content:** 'Irish Life Health' text, a large blue '765 286' code, and a blue circular refresh icon.

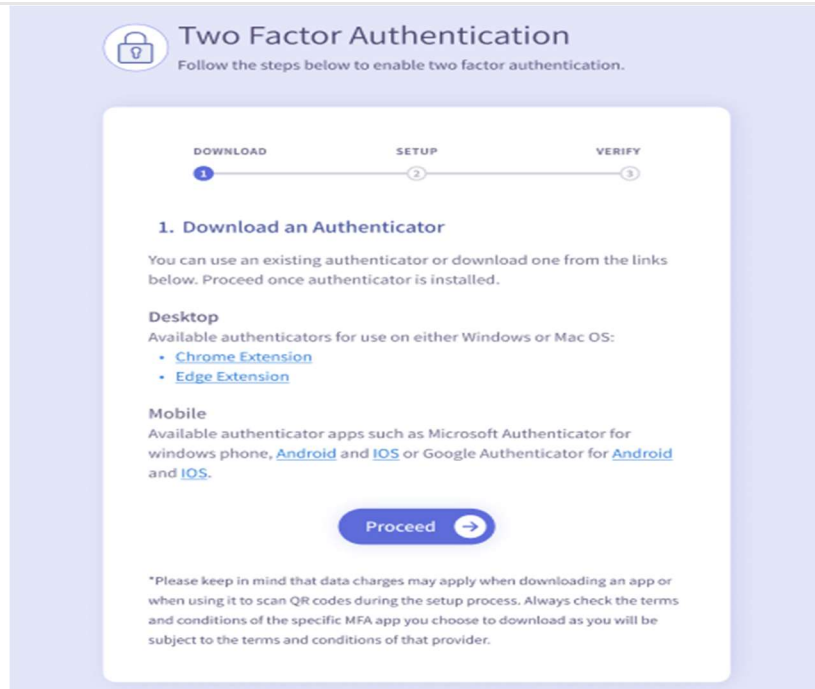

**3.15 Success.** You have verified the authenticator and this one-time setup is complete. Keep your authenticator safe as you will be required to enter the 6-digit authentication code every time you login.

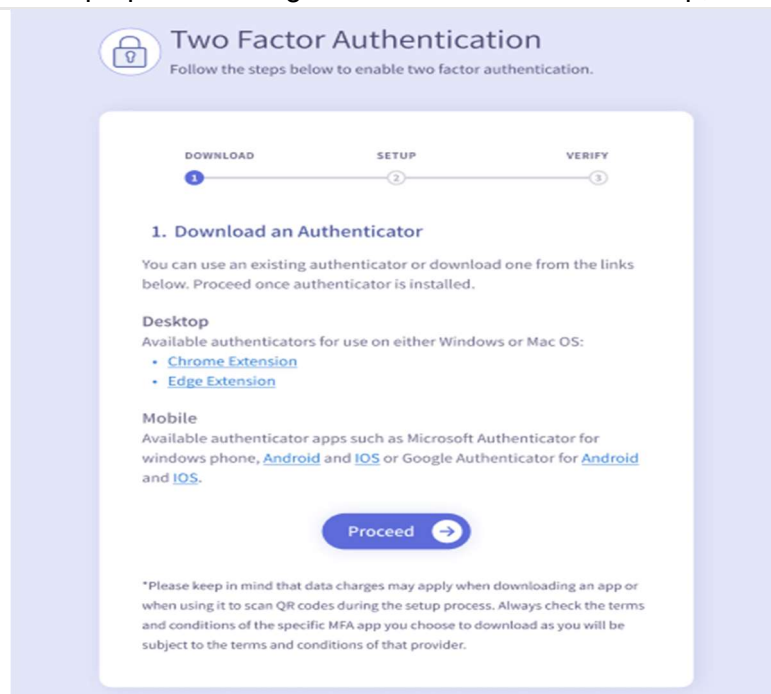

The below is showing the set-up MFA on the Desktop.

3.2	Login using your existing username and password as normal.
3.2.1	Enter your: <ul style="list-style-type: none"><li>• Email address</li><li>• Password</li></ul>
3.2.2.	Click Login.
	
Notes	The email address being used to register must match what Irish Life Health has on record for you as a scheme admin.

- 3.2.3** When logged in you will be prompted to complete the setup of a two-factor authenticator.
- This is a one time setup process.
- If you already have an authenticator you can proceed to the next step.
  - If you don't have an authenticator, follow steps to download.

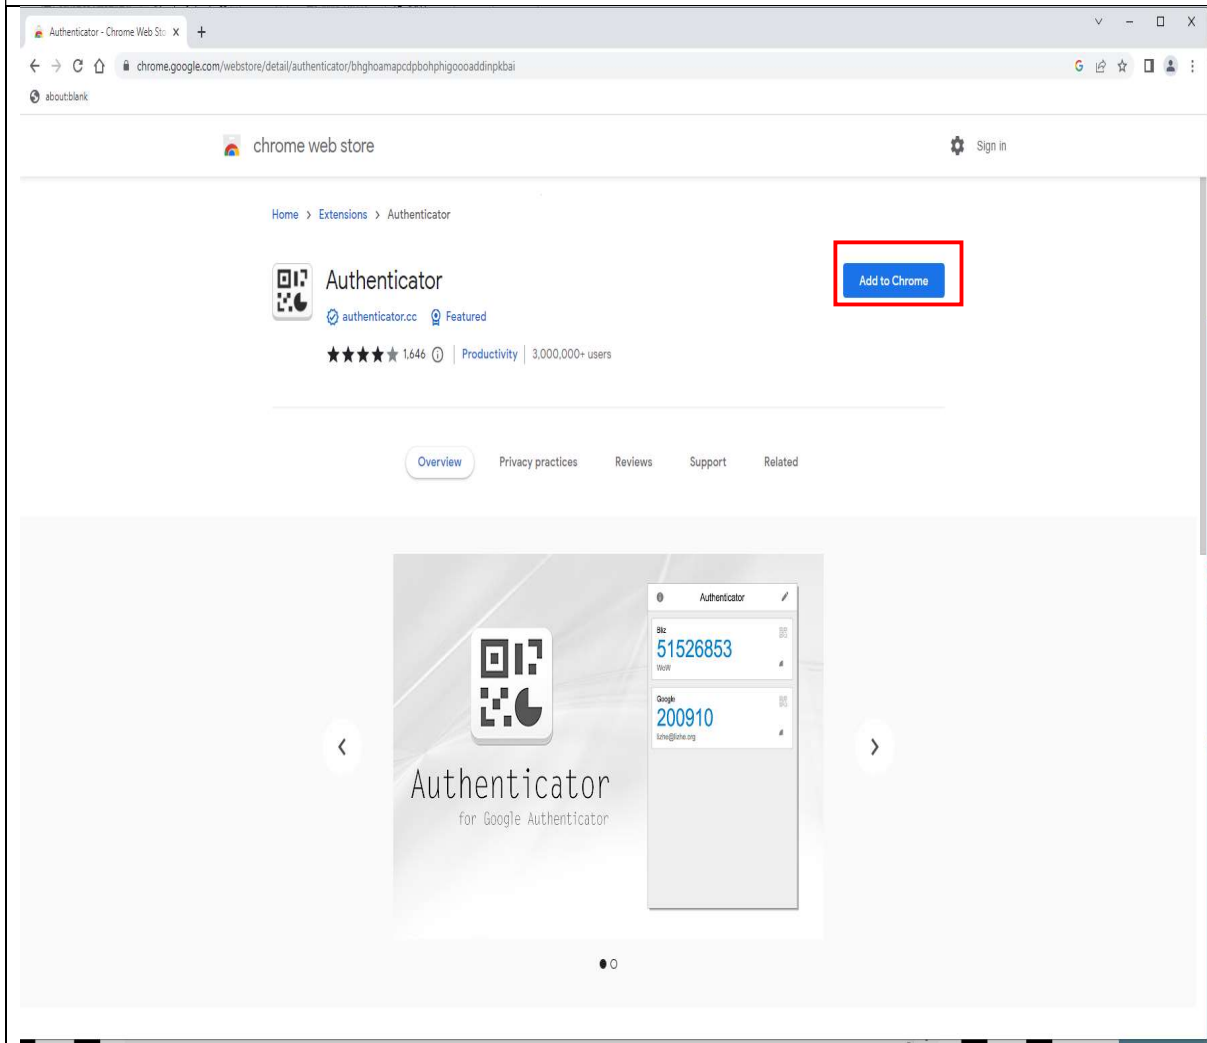

- 3.2.4** For the purpose of this guide we will select the Desktop, Chrome Extension.

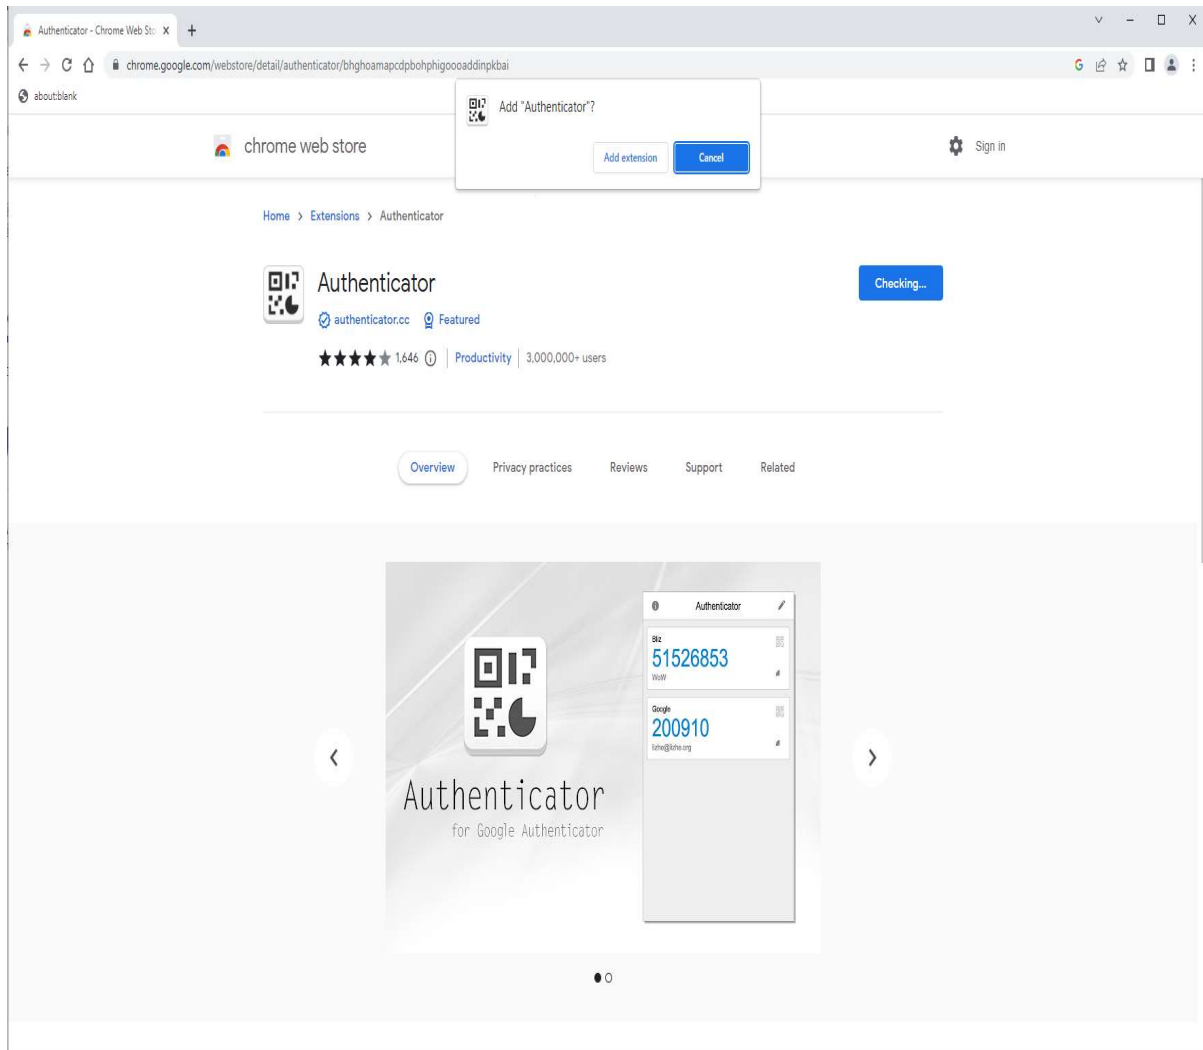

N.B. Whichever authenticator app you choose, you will be subject to the Terms of Use of that provider.

**3.2.5** The download page for the Chrome extension will open from the link.  
Select the blue “Add to Chrome” button on screen.

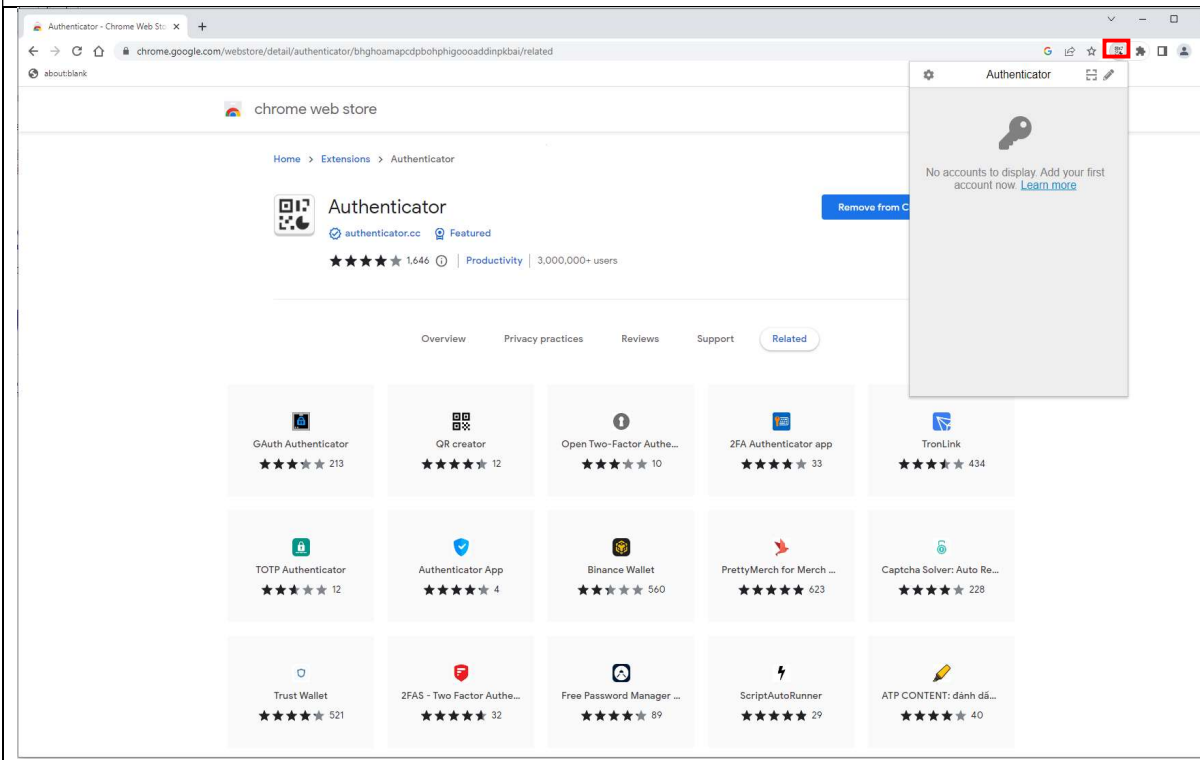

**3.2.6** Download the authenticator extension to your desktop.  
Select the grey “Add Extension” button in the pop-up screen.

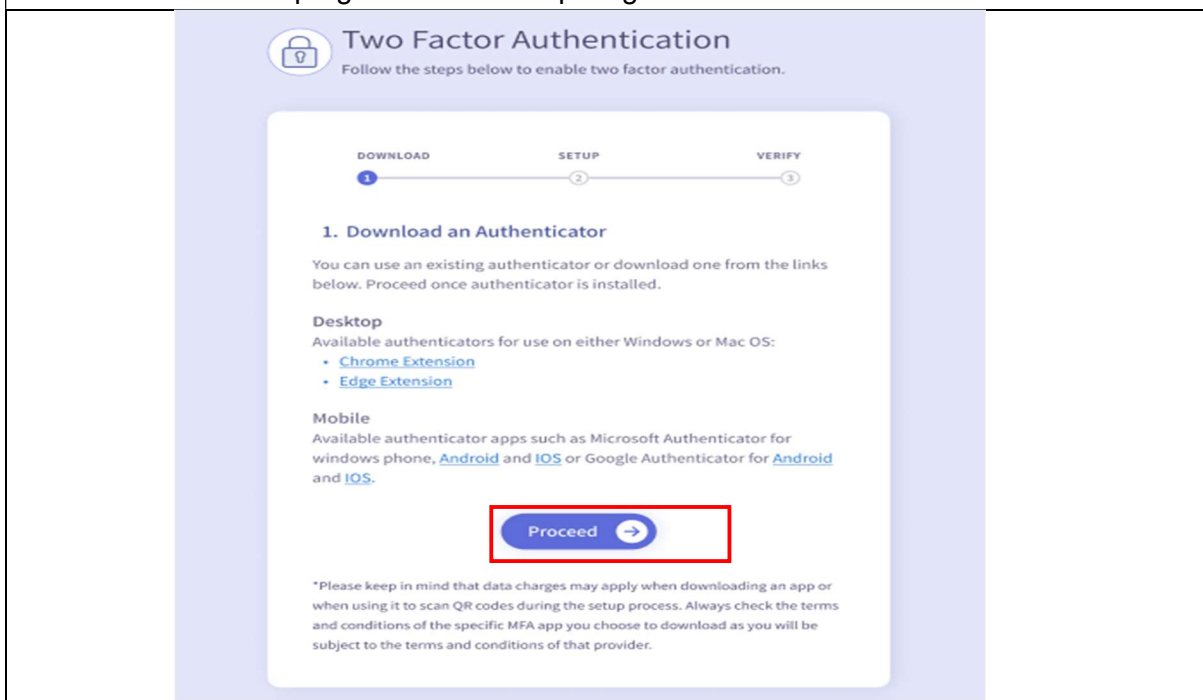

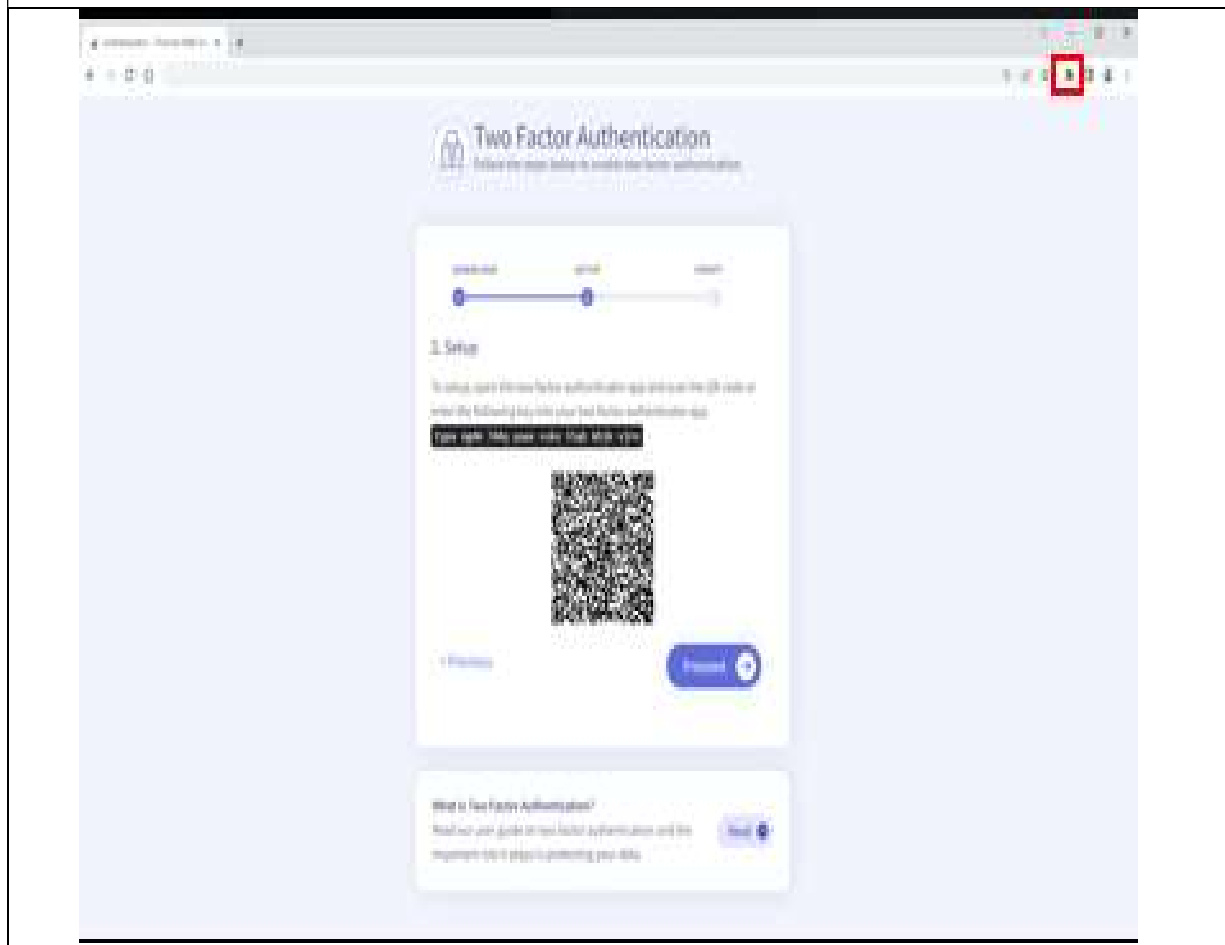

**3.2.7** To open, this can be found in the extension toolbar to the right of the address bar at the top of the screen.  
Next you need to go back to the portal to complete setup.

**3.2.8** Success. You have downloaded the authenticator to your desktop browser.  
Click “Proceed” to progress to the Setup stage.

**3.2.9** Navigate to the browser extension toolbar and open the authenticator.  
This can be found in the extension toolbar to the right of the address bar at the top of the screen.

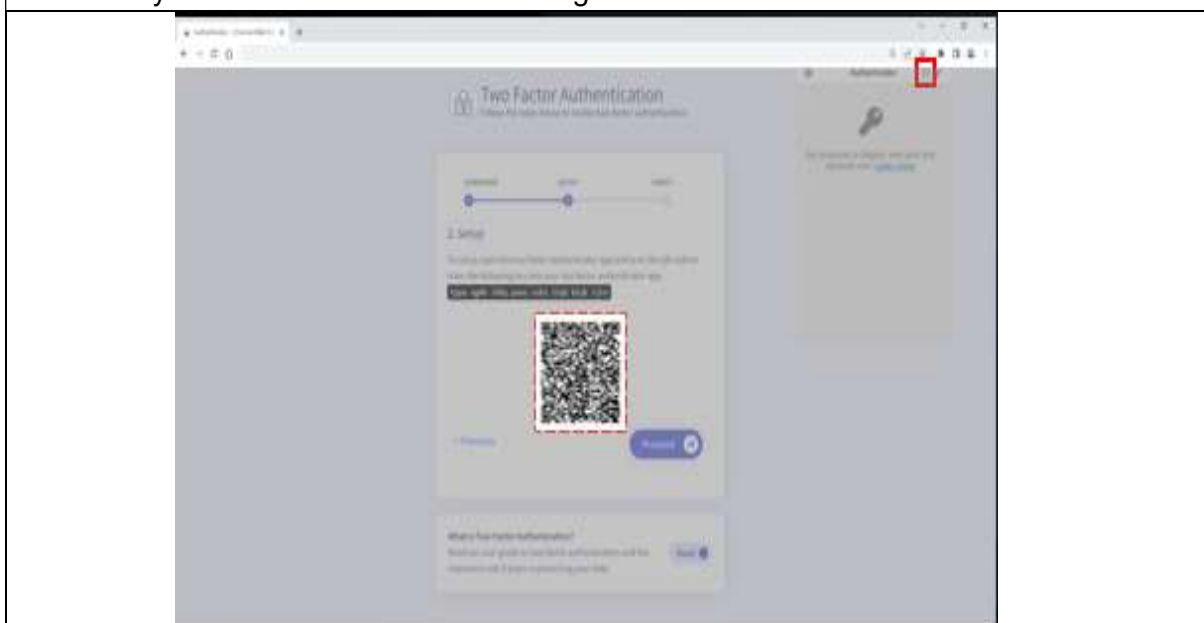

**3.2.10** You can setup the authenticator by scanning the QR code or manually entering the 32-digit Secret Key.

- Click the  icon for the scan QR code setup option.
- Click the  icon for the manual setup option.

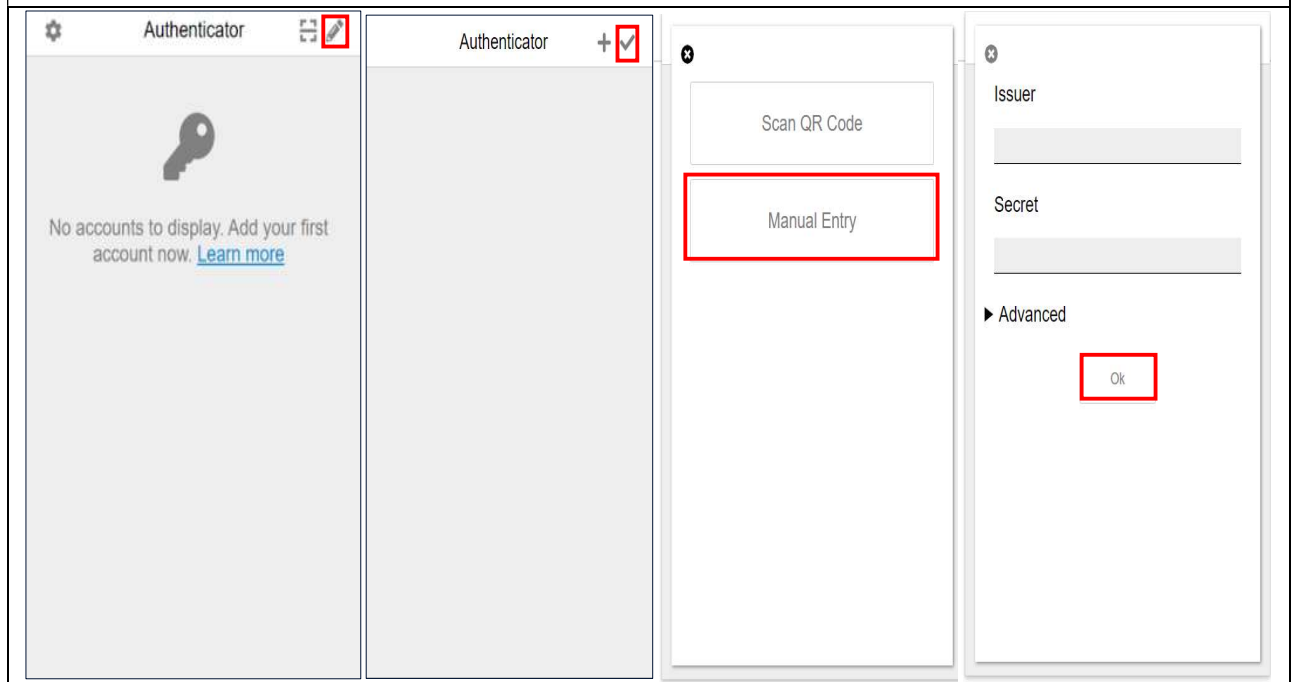

### 3.2.11 QR Code Setup.

Click the  icon in the authenticator toolbar to enable the scanning option. Select the QR code on screen by dragging the scanning square over the location of the code with your mouse as shown in the image.

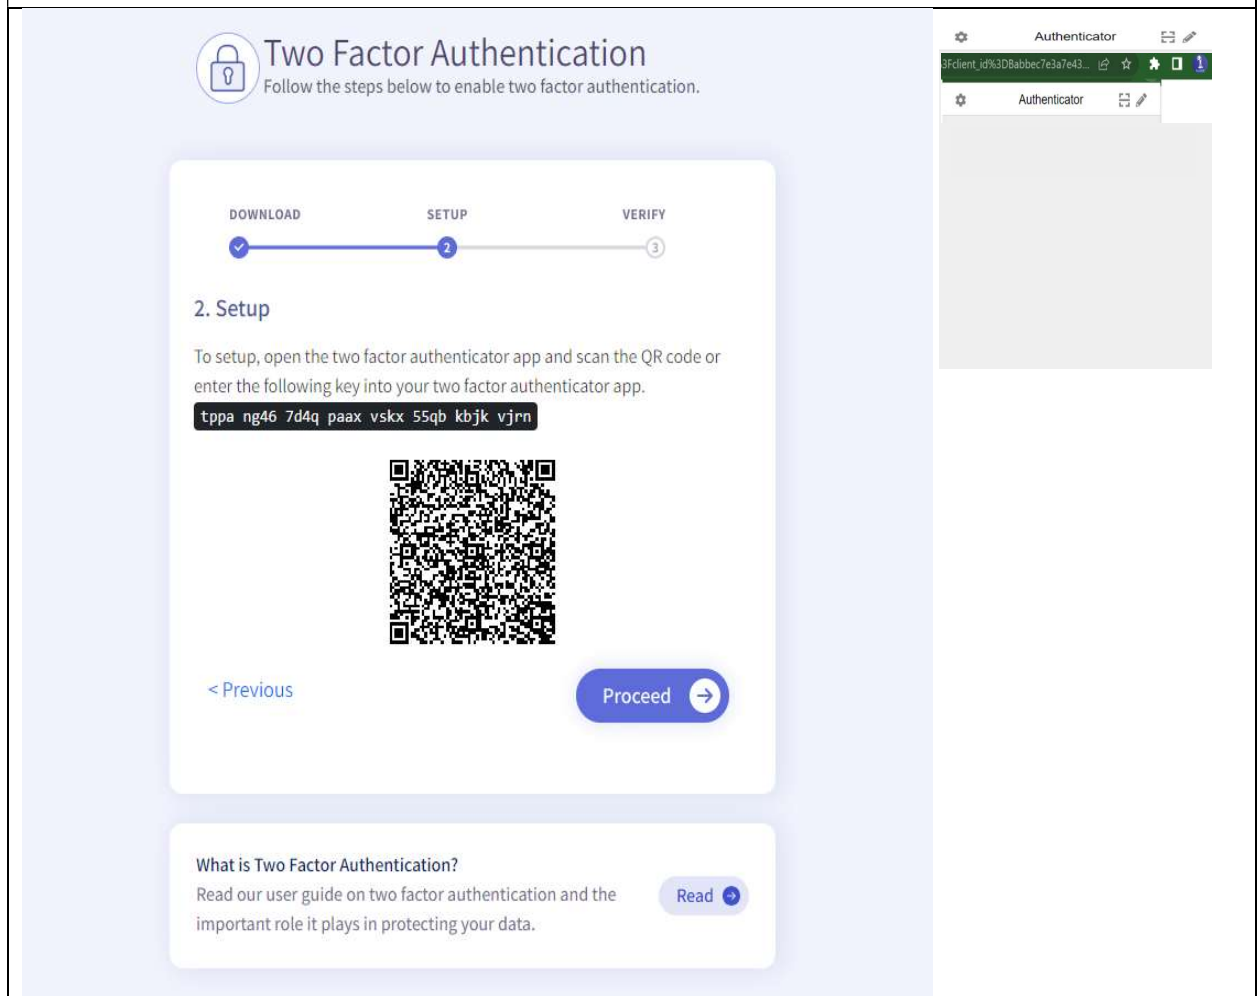

### 3.2.12 Manual setup.

1. Click 
2. Click 
3. Select "Manual Entry"
4. Fill details:
  - Issuer: "Irish Life Health Live"
  - Secret: Enter the 32 digit secret key from the setup page.
  - Click Ok

### 3.2.13 Success. You have setup the authenticator.

The authenticator will immediately show a 6-digit code which will refresh periodically. Click "Proceed" to move to the Verify screen.

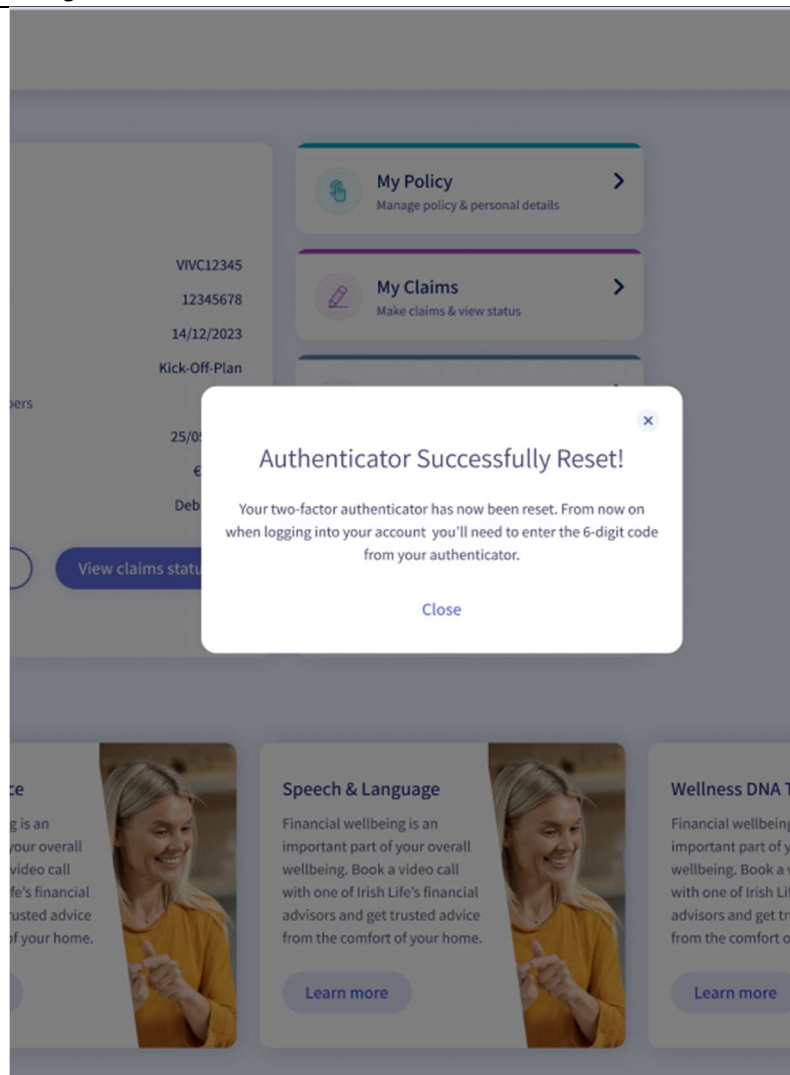

**3.2.14** Enter the 6-digit authentication code into the verification code box on the Verify screen and select “Submit”.

If there is an error:

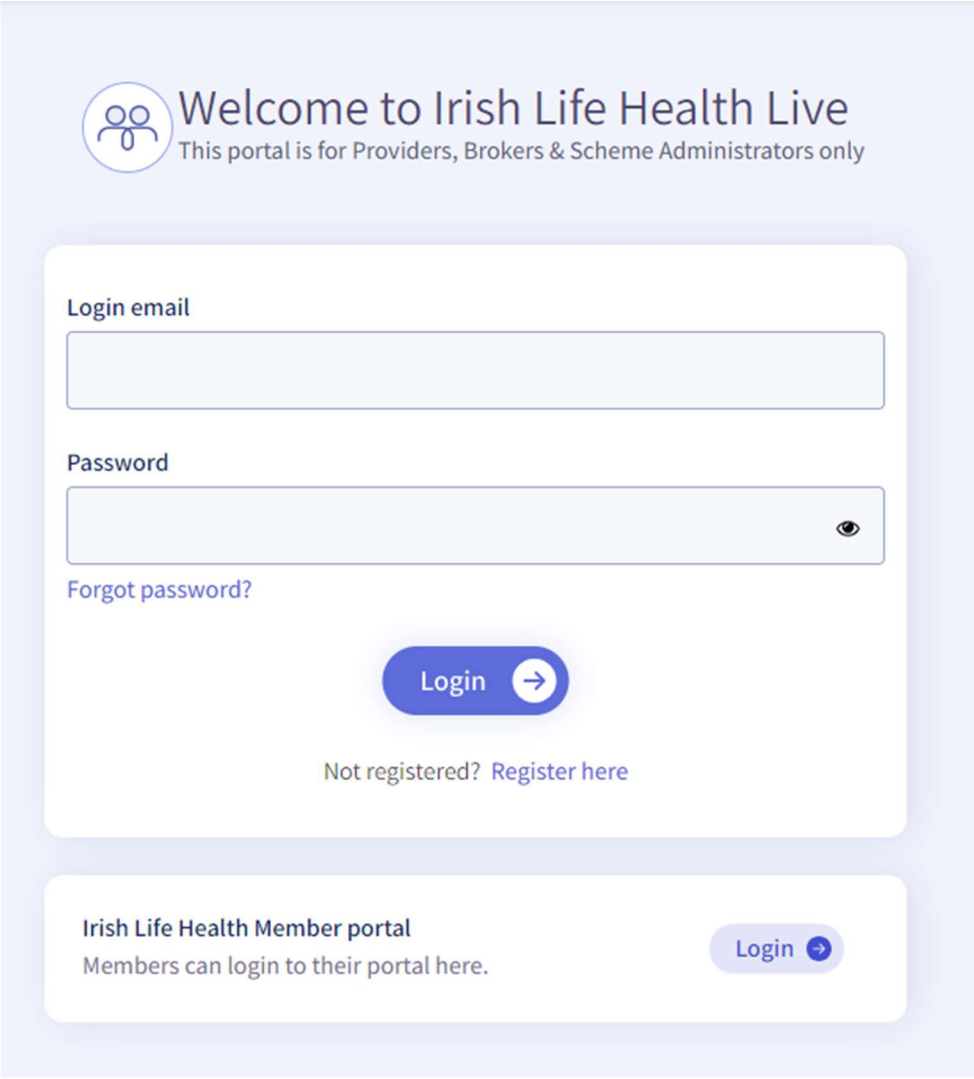

1. Retry, confirming the correct digits are input, which match the code on the authenticator at the time of submission.
2. Go to the previous page and re setup the authenticator.

The image shows a 'Two Factor Authentication' setup screen and a mobile app interface. The main screen has a header with a lock icon and the title 'Two Factor Authentication', followed by the instruction 'Follow the steps below to enable two factor authentication.' Below this is a progress bar with three steps: 'DOWNLOAD', 'SETUP', and 'VERIFY'. The 'VERIFY' step is currently active, indicated by a blue circle with a checkmark. The '3. Verify' section contains the text: 'Once setup is complete, your two factor authenticator app will provide you with a unique code. Enter the code in the confirmation box below.' There is a text input field labeled 'Verification Code' containing the number '765286'. Below the input field are two buttons: '< Previous' and 'Submit'. At the bottom, there is a section titled 'What is Two Factor Authentication?' with the text 'Read our user guide on two factor authentication and the important role it plays in protecting your data.' and a 'Read' button with a right arrow. To the right of the main screen is a smaller screenshot of an 'Authenticator' app interface, showing a green header with the title 'Authenticator' and a list of items, including one with a long alphanumeric string.

**3.2.15 Success.** You have verified the authenticator and this one-time setup is complete. Keep your authenticator safe as you will be required to enter the 6-digit authentication code every time you login.

## Notes

- If the member is over 35 years in age, the Lifetime Community Rating (LCR) questions will become mandatory to calculate any LCR penalty that might apply.
- Different sub-questions will appear depending on the answers given to each question according to the regulations for Lifetime Community Rating.
- If a member does not currently hold private health insurance, they may be subject to waiting periods.
- A link to the Irish Life Health waiting periods is available by clicking the Find out more about waiting periods hyperlink.

### Lifetime Community Rating

Lifetime Community Rating Legislation was introduced on May 1st 2015.

For this reason, we need to ask the following questions. The following questions relate to health insurance cover that this dependant held in Ireland only.

However, if any of the following applies to this dependant then they may be entitled to a reduction in their loading.

- Have they had a break in their insured cover of 6 months or more that began on or after the 1st February 2019?
- Have they been living out of the state for any period of 6 months or more, beginning on or after 1st November 2018
- Were they covered under the Defence Forces Scheme or Members of the EU Joint Sickness Scheme?

If any of these apply to this dependant, please contact us directly.

Has this dependant had continuous health insurance cover since April 30th 2015?

☐ Yes ☒ No

Has this dependant ever had health insurance in Ireland?

☐ Yes ☒ No

Was this dependant a resident in Ireland on 1st May 2015?

☒ Yes ☐ No

Has this dependant been dependent on social welfare payments for more than 6 months at any time since 1st January 2008?

☐ Yes ☒ No

### Previous Health Insurance

Does this dependant have current or previous health insurance?\*

☐ Yes ☒ No

This dependant may be subject to waiting periods on the policy and claims made within applicable waiting periods may be declined.

**10** ☐ **1. Upgrade Waiting Periods**

An upgrade waiting period will apply when you upgrade your cover (i.e. you purchase a plan with more comprehensive cover than your previous plan). This may happen if you change your plan with us or when coming to Irish Life Health from another health insurer. We will apply an upgrade waiting period to claims where your treatment relates to a pre-existing condition. Where an upgrade waiting period applies, we will cover you up to the level that was available under the benefit that you are claiming of your previous plan. Where the benefit you are claiming was not available on your previous plan, you will not be covered.

\*

A pre-existing condition is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- you took out health insurance for the first time
- or you took out health insurance after your health insurance had lapsed for more than 13 weeks.
- or you upgraded your cover to a higher level plan

Our medical advisers will determine when your ailment, illness or condition commenced. Their decision is final.

**11** ☐ **2. Pre-existing Condition Waiting Periods**

Where you make a claim which relates to a pre-existing condition, a pre-existing condition waiting period will apply. A pre-existing condition is an ailment, illness or condition, the signs or symptoms of which existed at any time in the six months before you took out health insurance for the first time or before you took out health insurance after your health insurance had lapsed for more than 13 weeks.

\*

You will not be covered for a pre-existing condition during your pre-existing condition waiting period. Our medical advisers will decide whether your claim relates to a pre-existing condition. Their decision is final.

Pre-existing condition waiting periods do not apply in the following circumstances:

- To claims made in respect of children who have been added to your policy within 13 weeks of the date of their birth
- To claims made in respect of adopted children who have been added to your policy within 13 weeks of the date of their adoption

**12** ☐ **3. Downgrading Your Cover**

You may downgrade your cover (i.e. you purchase a plan with a lower level of benefit cover than your previous plan) by changing your plan with us or when coming to Irish Life Health from another insurer. If you subsequently choose to upgrade your level of cover more than 13 weeks after the date you made the change, you will be subject to Upgrade Waiting Periods for pre-existing conditions on the new higher level of cover. Where an upgrade waiting period applies, we will cover you up to the level that was available under the benefit that you are claiming of your previous plan. Where the benefit you are claiming was not available on your previous plan, you will not be covered.

\*

A pre-existing condition is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- you took out health insurance for the first time
- or you took out health insurance after your health insurance had lapsed for more than 13 weeks.

7	Click the Confirm button.

☐ 1. Upgrade Waiting Periods
 4

An upgrade waiting period will apply when you upgrade your cover (i.e. you purchase a plan with more comprehensive cover than your previous plan). This may happen if you change your plan with us or when coming to Irish Life Health from another health insurer. We will apply an upgrade waiting period to claims where your treatment relates to a pre-existing condition. Where an upgrade waiting period applies, we will cover you up to the level that was available under the benefit that you are claiming of your previous plan. Where the benefit you are claiming was not available on your previous plan, you will not be covered.

\*

A pre-existing condition is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- you took out health insurance for the first time
- or you took out health insurance after your health insurance had lapsed for more than 13 weeks.
- or you upgraded your cover to a higher level plan

Our medical advisers will determine when your ailment, illness or condition commenced. Their decision is final.

☐ 2. Pre-existing Condition Waiting Periods
 5

Where you make a claim which relates to a pre-existing condition, a pre-existing condition waiting period will apply. A pre-existing condition is an ailment, illness or condition, the signs or symptoms of which existed at any time in the six months before you took out health insurance for the first time or before you took out health insurance after your health insurance had lapsed for more than 13 weeks.

\*

You will not be covered for a pre-existing condition during your pre-existing condition waiting period. Our medical advisers will decide whether your claim relates to a pre-existing condition. Their decision is final.

Pre-existing condition waiting periods do not apply in the following circumstances:

- To claims made in respect of children who have been added to your policy within 13 weeks of the date of their birth
- To claims made in respect of adopted children who have been added to your policy within 13 weeks of the date of their adoption

☐ 3. Downgrading Your Cover
 6

You may downgrade your cover (i.e. you purchase a plan with a lower level of benefit cover than your previous plan) by changing your plan with us or when coming to Irish Life Health from another insurer. If you subsequently choose to upgrade your level of cover more than 13 weeks after the date you made the change, you will be subject to Upgrade Waiting Periods for pre-existing conditions on the new higher level of cover. Where an upgrade waiting period applies, we will cover you up to the level that was available under the benefit that you are claiming of your previous plan. Where the benefit you are claiming was not available on your previous plan, you will not be covered.

\*

A pre-existing condition is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- you took out health insurance for the first time
- or you took out health insurance after your health insurance had lapsed for more than 13 weeks.

## 12.4 Pre-Renewal Report by Scheme

1	Click the Pre-renewals tab to view the Pre-renewal Report for the scheme where it is available. This will only be available 32 days before to a renewal date.
2	Click the Get Scheme Renewals button.
3	Click the Excel button to export the list to Excel. Click the Copy button to copy the list.
4	You can Search within results.
5	The list of all the scheme members who currently have open Renewal invitations will be displayed.
<b>Note</b>	Clicking a Policy link will allow you to view the individual policy.

If you click the Excel button, the list will be downloaded as an Excel document in your downloads folder.

This report will only display data in the table if the scheme is at pre-renewal stage.

This report can only be run once the scheme renewal has generated.

The screenshot shows the 'Pre-renewal Report' interface. At the top, there are tabs: 'Invoices', 'Activities', 'Member Listing', 'Pre-renewal' (highlighted in green), and 'End of Year Premiums'. Below the tabs, the title 'Pre-renewal Report' is displayed. A message states: 'Get a list of all the open Renewal Invitations on this scheme.' Below this, a yellow box contains the text: 'Your pre-renewal report will become available to you as soon as the renewal quotes on your scheme have issued. These quotes typically issue approximately 32 days prior to your renewal date.' Below the message, there is a 'Get Scheme Renewals' button. Below the button, there are 'Copy' and 'Excel' buttons. To the right of these buttons is a search box labeled 'Search:'. Below the search box, there is a table header with columns: 'Scheme Code', 'Scheme Name', 'Member Number', 'Policy Number', 'Staff Number', 'First Name', 'Last Name', 'Date of Birth', 'Member Type', and 'Renew Date'. Below the table header, the text 'No data available in table' is displayed. At the bottom, there is a pagination bar showing 'Showing 0 to 0 of 0 entries' and 'Previous' and 'Next' buttons.

## 12.5 End of Year Premiums Report by Scheme

1	Click the End of Year Premiums tab to view the Tax Rebate Report.
2	Click the View Tax Rebate Report button.
3	Click the Export to Excel button to export the list to Excel.
4	You can Search within results.
5	Clicking a Policy link will allow you to view the individual policy.
6	Click subsequent pages to view more results.

If you click the Excel button, the list will be downloaded as an Excel document in your downloads folder.

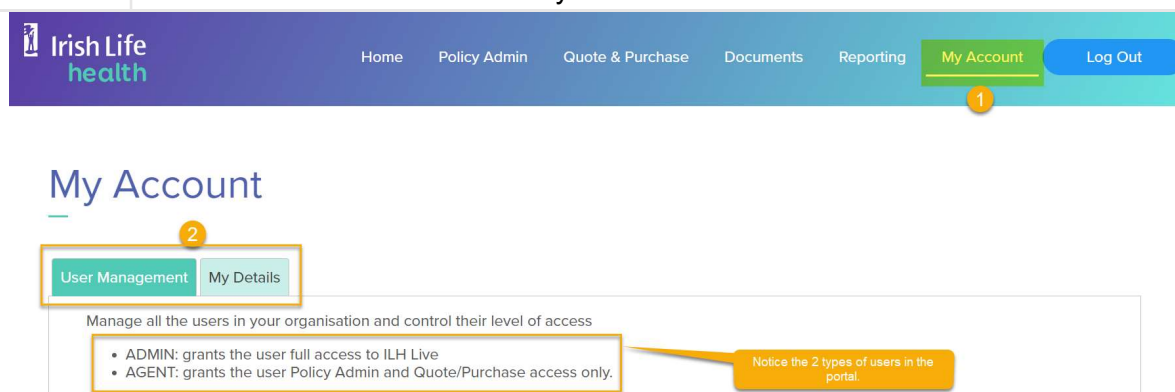

The screenshot shows the 'End of Year Premium Report' interface. At the top, there are tabs: Invoices, Activities, Member Listing, Pre-renewal, and **End of Year Premiums** (callout 1). Below the tabs, the title 'End of Year Premium Report' is displayed, followed by the text 'Get a statement for premiums paid in 2020.' Below this, there are two buttons: 'View Tax Rebate Report' (callout 2) and 'Export to Excel' (callout 3). To the right of the 'Export to Excel' button is a search bar labeled 'Search:' (callout 4). Below the buttons and search bar is a table with the following columns: Year, Policy number, Member name, Employee ID, Gross Premium, Tax Relief, and Net Premium. The table contains 10 rows of data for the year 2020. A callout 5 points to a policy number link in the second row. At the bottom of the table, there is a pagination bar showing 'Showing 1 to 10 of 470 entries' and a set of page numbers: Previous, 1 (highlighted), 2, 3, 4, 5, ..., 47, Next. A callout 6 points to the 'Previous' button.
